2. Complainant is the U.S. Environmental Protection Agency (EPA). The EPA Administrator has delegated the authority to settle civil administrative penalty proceedings under Section 16(a) of TSCA to the Division Director of the Enforcement and Compliance Assurance Division, United States Environmental Protection Agency (EPA), Region 5.
3. Respondent is Dennis Meints, a sole proprietor doing business in the State of Minnesota.
4. EPA and Respondent agree that settling this action is in the public interest and consent to the entry of this Consent Agreement and Final Order (CAFO) without the adjudication of any issues of law or fact.

5. Respondent agrees to comply with the terms of this CAFO.

**B. Jurisdiction**

6. The alleged violations in this CAFO are pursuant to Section 1018 of Title X of the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the Lead Act), 42 U.S.C. § 4852d.

7. The Regional Judicial Officer of Region 5 is authorized to ratify the consent agreement memorializing the settlement between EPA and Respondent and to issue the attached Final Order. 40 C.F.R. §§ 22.4(b) and 22.18(b).

**C. Statutory and Regulatory Background**

8. The Lead Act at 42 U.S.C. § 4852d, requires the Administrator of EPA to promulgate regulations for the disclosure of lead-based paint hazards in target housing that is offered for sale or lease.

9. On March 6, 1996, EPA promulgated regulations at 40 C.F.R. Part 745, Subpart F, Disclosure of Known Lead-Based Paint and/or Lead-Based Paint Hazards Upon Sale or Lease of Residential Property (Disclosure Rule) pursuant to 42 U.S.C. § 4852d.

10. 40 C.F.R. § 745.103 defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.

11. 40 C.F.R. § 745.103 defines “lessor” as any entity that offers target housing for lease, rent, or sublease, including but not limited to individuals, partnerships, corporations, trusts, government agencies, housing agencies, Indian tribes and nonprofit organizations.

12. 40 C.F.R. § 745.103 defines “lessee” as any entity that enters into an agreement to lease, rent or sublease target housing, including but not limited to individuals, partnerships,

corporations, trusts, government agencies, housing agencies, Indian tribes and nonprofit organizations.

13. 40 C.F.R. § 745.103 defines “agent” as any party who enters into a contract with a seller or a lessor, including any party who enters into a contract with a representative of the seller or lessor, for the purpose of selling or leasing target housing.

14. 40 C.F.R. § 745.113(b) requires that each contract to lease target housing include, as an attachment or within the contract, a lead warning statement; a statement by the lessor disclosing the presence of any known lead-based paint and/or lead-based paint hazards or the lack of knowledge of such presence; a list of any records or reports available to the lessor regarding lead-based paint and/or lead-based paint hazards in the target housing or a statement that no such records exist; a statement by the lessee affirming receipt of the information set out in 40 C.F.R. § 745.113(b)(2) and (3) and the Lead Hazard Information Pamphlet; and, the signatures and dates of signature of the lessor, and lessee certifying the accuracy of their statements.

15. Under 42 U.S.C. § 4852d(b)(5) and 40 C.F.R. § 745.118(e), failure to comply with the Disclosure Rule violates Section 409 of TSCA, 15 U.S.C. § 2689, which may subject the violator to administrative civil penalties under Section 16(a) of TSCA, 15 U.S.C. § 2615(a), 42 U.S.C. § 4852d(b)(5), and 40 C.F.R. § 745.118(f).

16. Under 42 U.S.C. § 4852d(b)(5), 15 U.S.C. § 2615(a), and 40 C.F.R. Part 19, the Administrator of EPA may assess a civil administrative penalty of up to \$22,263 for each violation of 42 U.S.C. § 4852d and Section 409 of TSCA, 15 U.S.C. § 2689, that occurred after November 2, 2015.

Such actions EPA may take include, but are not limited to, the following.

- a. Refer the debt to a credit reporting agency or a collection agency, per 40 C.F.R. §§ 13.13 and 13.14.

51. Tax Treatment of Penalties. Penalties, interest, and other charges paid pursuant to this Agreement shall not be deductible for purposes of federal taxes.

52. By signing this CAFO, Respondent consents to the release of any information in this CAFO to the public and agrees this CAFO does not contain business information that is entitled to confidential treatment under 40 C.F.R. Part 2.

53. By signing this CAFO, the undersigned representative of EPA and the undersigned representative of Respondent each certify that they are fully authorized to execute and enter into the terms and conditions of this CAFO and have the legal capacity to bind the party they represent to this CAFO.

54. By signing this CAFO, Respondent certifies that the information it has supplied concerning this matter was at the time of submission true, accurate and complete for each such submission, response and statement. Respondent further acknowledges that knowingly and willfully providing false information to EPA in violation of 18 U.S.C. § 1001, or knowingly falsifying, concealing, covering up or destroying any record with the intent to impede, obstruct or influence the investigation or proper administration of any matter within the jurisdiction of EPA in violation of 18 U.S.C. § 1519,

may subject Respondent to criminal penalties, including but not limited to possibility of fines and/or imprisonment.

55. Each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding, except in the case of a civil action brought by the Attorney General of the United States to recover unpaid penalties as described above.

sanctions as provided in Section 16(b) of TSCA, 15 U.S.C. § 2615(b). EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.

62. Nothing in this CAFO relieves Respondent of the duty to comply with all applicable provisions of TSCA and other federal, state, or local laws or statutes, nor does it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor is it a ruling on, or determination of, any issue related to any federal, state, or local permit.

63. Nothing in this CAFO limits the power of EPA to undertake any action against Respondent or any person in response to conditions that may present an imminent and substantial endangerment to the public health, welfare, or the environment.

64. EPA reserves the right to revoke this CAFO and settlement penalty if and to the extent that EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to EPA, and to assess and collect any civil penalties permitted by statute for any violation described herein. EPA will give Respondent written notice of its intent to revoke this CAFO, which will not be effective until received by Respondent.
