Re: Notice of Proposed Assessment of Class I Civil Penalty
Docket Number: CWA-06-2013-1710
Facility Number: OKU000604

Citation Oil & Gas Corp received the above referenced Notice of Proposed Assessment of Class I Civil Penalty on February 18, 2013 and are required to submit a response within 30 days of receipt which would be March 19, 2013.

Citation Oil & Gas Corp. respectfully requests an additional 30 day extension that give us a new deadline of April 17, 2013.

Citation Oil & Gas Corp. has agreed in principle to settle this matter and has requested the additional time so the settlement agreement can be drafted and our response filed approximately at the same time.
