Re: Administrative Order Closure to Wyoming Medium Correctional Institution, PWSID #  
WY5601660, Docket No. SDWA-08-2014-0002

Dear Mr. Lampert:

This letter is to inform you of the EPA's decision to close the Administrative Order (Order) issued to Wyoming Medium Correctional Institution on December 23, 2013, regarding the Wyoming Medium Correctional Institution Public Water System. The EPA has determined the Wyoming Medium Correctional Institution has complied with the requirements of the Order and therefore we will close it at this time.

Please be aware the Wyoming Medium Correctional Institution is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

Thank you for resolving these issues. If the Wyoming Medium Correctional Institution has any questions regarding this matter, please contact Metea Wright at (303) 312-6023.

Sincerely,

A handwritten signature in blue ink that reads "Kimberly Pardue-Welch".
