Dear Tina and Dana,

I am asking that you would add Leon Morin to your list of responsible parties. It seems only fair being you added Mike and he was not the manager, Leon was.

Also, I am quite curious if you happen to be pursuing Leon for the period of time before June 1st 2006. I am also curious if you have had time to review and see that there have been no problems since Leon is no longer employed with us. His last day was Feb. 21st 2008.

I thank you both for returning my calls so promptly and Dana, for taking the time to hear my side of the story.

Sincerely,

Deb Starnes
