CONSENT AGREEMENT

STATUTORY AUTHORITY

This Consent Agreement is proposed and entered into under the authority vested in the President of the United States by Section 109 of the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), 42 U.S.C. § 9609. The President has delegated this authority to the Administrator of the United States Environmental Protection Agency ("EPA"), who has, in turn, delegated it to the Regional Administrator of EPA, Region III. The Regional Administrator has redelegated this authority to the Director, Hazardous Site Cleanup Division, EPA Region III ("Complainant"). This Consent Agreement is also proposed and entered into pursuant to the authority vested in the Administrator of EPA by Section 325 of the Emergency Planning and Community Right-to-Know Act of 1986 ("EPCRA"), 42 U.S.C. § 11045, delegated to the Regional Administrator by EPA Delegation No. 22-3-A, and redelegated to Complainant by EPA Region III Delegation No. 22-3-A. Further, this Consent Agreement is proposed and entered into under the authority provided by the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the

Revocation/Termination or Suspension of Permits” (“Consolidated Rules of Practice”), 40 C.F.R. Part 22 (“Part 22”). The parties agree to the commencement and conclusion of this cause of action by issuance of this Consent Agreement and Final Order (referred to collectively herein as “CA/FO”) as prescribed by the Consolidated Rules of Practice pursuant to 40 C.F.R. § 22.13(b), and having consented to the entry of this CA/FO, agree to comply with the terms of this CA/FO.

PRELIMINARY STATEMENT

1. The implementing regulations for the emergency notification requirements in Section 304 of EPCRA, 42 U.S.C. § 11004, are codified at 40 C.F.R. Part 355. On November 3, 2008, EPA issued a final rule, 73 Fed. Reg. 65451 (Nov. 3, 2008), *inter alia*, to make these regulations easier to read by presenting them in a plain language format. The amendments resulted in a re-numbering of 40 C.F.R. Part 355, which became effective on December 3, 2008. This CA/FO references the newly effective numbering, but includes the pre-2008 numbering in parentheses since those regulations were in effect at the time of the violations alleged herein.

FINDINGS OF FACT

2. Respondent Loadout, LLC (“Loadout” or “Respondent”) is a Delaware limited liability company with its principal place of business located at Five Radnor Corporate Center, Suite 500 in Radnor, Pennsylvania.

5. The Facility is a “facility” as defined by Section 101(9) of CERCLA, 42 U.S.C. § 9601(9), and Section 304 of EPCRA, 42 U.S.C. § 11004, and their respective regulations, 40 C.F.R. §§ 302.3 and 355.61 (355.20).

6. On or about November 4, 2009, EPA conducted an inspection of the Facility to determine the Facility’s compliance with Section 103 of CERCLA, 42 U.S.C. § 9603, and Sections 302-312 of the Emergency Planning and Community Right-to-Know Act, 42 U.S.C. §§ 11002-11022.

7. Section 102(a) of CERCLA, 42 U.S.C. § 9602(a), requires the Administrator of EPA to publish a list of substances designated as hazardous substances, which, when released into the environment may present substantial danger to public health or welfare or to the environment, and to promulgate regulations establishing that quantity of any hazardous substance, the release of which shall be required to be reported under Section 103(a) of CERCLA, 42 U.S.C. § 9603(a) ("Reportable Quantity" or "RQ"). The list of hazardous substances and their respective RQs is codified at 40 C.F.R. § 302.4.

49. The CERCLA civil penalty and EPCRA civil penalty stated herein are based upon Complainant's consideration of a number of factors, including, but not limited to, the penalty criteria set forth in Section 109 of CERCLA, 42 U.S.C. § 9609, and the penalty criteria set forth in Section 325 of EPCRA, 42 U.S.C. § 11045, and are consistent with 40 C.F.R. Part 19 and the Enforcement Response Policy for Sections 304, 311 and 312 of the Emergency Planning and Community Right-to-Know Act and Section 103 of the Comprehensive Environmental Response, Compensation and Liability Act, (September 30, 1999).

50. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment by the final due date or to comply with the conditions in this CA/FO shall result in the assessment of late payment charges, including interest, penalties, and/or administrative costs of handling delinquent debts.

51. Interest on the civil penalties assessed in this CA/FO will begin to accrue on the date that a copy of this CA/FO is mailed or hand-delivered to Respondent. However, EPA will waive interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).

52. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue in accordance with 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's Resources Management Directives - Cash Management, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the final due date and an additional \$15.00 for each subsequent thirty (30) day period the penalty remains unpaid.

53. A penalty charge of six (6) percent per year will be assessed monthly on any portion of the civil penalty which remains delinquent more than ninety (90) calendar days in accordance with 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent, in accordance with 31 C.F.R. § 901.9(d).

54. Failure by the Respondent to pay the \$12,090.00 CERCLA civil penalty and the \$32,401.00 EPCRA civil penalty assessed by the Final Order in full by the final due date may subject Respondent to a civil action to collect the assessed penalty, plus interest, pursuant to

Section 109 of CERCLA, 42 U.S.C. § 9609, and Section 325 of EPCRA, 42 U.S.C. § 11045. In any such collection action, the validity, amount and appropriateness of the penalty shall not be subject to review.

GENERAL PROVISIONS

55. For the purpose of this proceeding, Respondent admits to the jurisdictional allegations set forth above.

56. Respondent agrees not to contest EPA's jurisdiction with respect to the execution or enforcement of this CA/FO.

57. For the purpose of this proceeding, Respondent neither admits nor denies factual allegations or conclusions of law set forth in this Consent Agreement, but expressly waives its rights to contest said allegations.

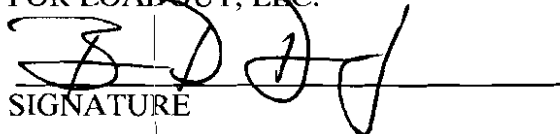

58. For the purpose of this proceeding, Respondent expressly waives its right to a hearing and to appeal the Final Order under Section 109 of CERCLA, 42 U.S.C. § 9609, and Section 325 of EPCRA, 42 U.S.C. § 11045.

59. The provisions of this CA/FO shall be binding upon Respondent, its officers, directors, agents, servants, employees, and successors or assigns. By his or her signature below, the person signing this Consent Agreement on behalf of the Respondent is acknowledging that he or she is fully authorized by the party represented to execute this Consent Agreement and to legally bind Respondent to the terms and conditions of the Consent Agreement and accompanying Final Order.

60. This CA/FO resolves only those civil claims which are alleged herein. Nothing herein shall be construed to limit the authority of the Complainant to undertake action against any person, including the Respondent in response to any condition which Complainant determines may present an imminent and substantial endangerment to the public health, public welfare or the environment. Nothing in this CA/FO shall be construed to limit the United States' authority to pursue criminal sanctions.

61. Each party to this action shall bear its own costs and attorney's fees.
