Dear Mr. Williamson:

U.S. EPA has received Solutia Inc.'s Supplemental Environmental Project (SEP) Completion Report, required under paragraph 56 of the Consent Agreement and Final Order (CAFO) (Docket Nos. MM-05-2016-0006 CERCLA-05-2016-0009 EPCRA-05-2016-0016), entered between EPA and Solutia Inc. in June 2016. This SEP involved the purchase of emergency response equipment for the St. Clair Special Emergency Services Association. Pursuant to Paragraph 59(a) of the CAFO, this letter serves to notify you that EPA considers Solutia Inc. to have satisfactorily completed the SEP (paragraphs 53 through 66) and SEP Completion Report.
