REPORT AND ORDER CONTINUING STATUS TELECONFERENCE

A status teleconference was scheduled in this matter for March 24, 2009. I contacted the Attorney of Record for EPA, Hector Velez, at the appointed time, and he informed me that he and Respondent, Juan Benet, were meeting in Mr. Velez's office at that time to discuss settlement of this matter. They requested leave to contact me later in the day to report on the status of their discussions. Unfortunately, the telephone lines in Mr. Velez's office were inoperative later that day.

Mr. Velez subsequently contacted me to report that Mr. Benet intended to submit financial documents to support the Respondent's inability to pay argument, and requested that the scheduled status conference be continued until a later date to allow the parties time to explore the Respondent's financial situation and continue their settlement discussions. In light of the considerations set forth herein, the Undersigned issues the following **ORDER**.

IT IS ORDERED:

**The status teleconference is hereby rescheduled for May 12, 2009 at
10:00AM DST.**

Dated: April 1, 2009
