Re: Closure of Administrative Order, Camp Wyoba Public Water System,
PWS ID #WY5600685, Docket No. SDWA-08-2013-0004

Dear Ms. Van Valkenburgh:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order (Order), Docket No. SDWA-08-2013-0004, issued on December 12, 2012, to the American Baptist Churches of the Rocky Mountains (ABCRM), owner and/or operator of the Camp Wyoba Public Water System (System). The EPA has determined that the ABCRM has complied with the terms of the Order and therefore we will close the Order at this time. Note: the Second Administrative Order, Docket No. SDWA-08-2013-0060, issued on September 23, 2013, to ABCRM remains in effect.

Please be aware that the ABCRM is still required to comply with the National Primary Drinking Water Regulations (drinking water regulations), 40 C.F.R. part 141. Violation of the drinking water regulations may result in a court-imposed injunction and/or penalties of up to \$37,500 per day of violation.

If the ABCRM has any questions about this matter, it may call Mario Mérida at 303-312-6297. We thank the American Baptist Churches of the Rocky Mountains for resolving these issues.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberly Pardue-Welch".
