STATUS REPORT

COMES NOW COMPLAINANT, the Director of the Water Quality Protection Division, United States Environmental Protection Agency, Region 6, by and through its attorney, provides the following Status Report, as required by the Prehearing Order issued by the Administrative Law Judge on April 19, 2013.

1. Complainant and Paco Swain Realty, L.L.C. ("Respondent") (collectively, the "Parties), including Respondent's attorney, Robert W. Morgan, participated in a settlement conference on May 14, 2013 regarding the above-captioned matter.
2. On other occasions in April 2013 and May 2013, Complainant and Mr. Morgan engaged in substantive discussions relating to settlement of this matter.
3. The Parties have made substantive progress towards reaching a settlement in this matter. The Parties have shared information regarding the violations alleged in the Complaint and have identified additional information to be provided informally prior to the date set for the Parties' Prehearing Exchanges. At this point, Complainant believes that settlement is likely and that the Parties would benefit from additional time to engage in settlement negotiations prior to expending resources in formal litigation of this matter.
