HEARING CLERK

2018 MAR 19 AM 6:08

USEPA REGION 4  
OFFICE OF REGIONAL  
ADMINISTRATOR

**CONSENT AGREEMENT AND FINAL ORDER**

**I. Nature of the Action**

1. This is a civil penalty proceeding pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act (EPCRA), 42 U.S.C. § 11045, and pursuant to the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), codified at 40 C.F.R. Part 22. Complainant is the Director of the Air, Pesticides and Toxics Management Division, Region 4, United States Environmental Protection Agency (EPA). Respondent is HL-A-C, Inc.

2. The authority to take action under Section 325 of EPCRA, 42 U.S.C. § 11045, is vested in the Administrator of EPA. The Administrator of EPA has delegated this authority under EPCRA to the Regional Administrators by EPA Delegation 22-3-A, dated May 11, 1994. The Regional Administrator, Region 4, has redelegated this authority to the Director, Air, Pesticides and Toxics Management Division, by EPA Region 4 Delegation 22-3-A, dated November 8, 1994. Pursuant to that delegation, the Director of the Air, Pesticides and Toxics Management Division has the authority to commence an enforcement action as the Complainant in this matter.

3. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b) and 22.18(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

**II. Preliminary Statements**

4. Respondent is HL-A-C, Inc., a company doing business in the State of Georgia.

5. Respondent is a "person" and is the owner and operator of a "facility" as those terms are defined in Section 329(7) of EPCRA, 42 U.S.C. § 11049(7), and Section 329(4) of EPCRA, 42 U.S.C. § 11049(4).

6. Respondent's facility is located at 101 Murphy Industrial Boulevard, Bremen, Georgia.

### **III. EPA's Allegations of Violations**

7. Section 312 of EPCRA, 42 U.S.C. § 11022, and the regulations found at 40 C.F.R. Part 370, provide that the owner or operator of a facility that is required to prepare or have available a Material Safety Data Sheet (MSDS) for hazardous chemicals under the Occupational Safety and Health Act of 1970 (OSHA) and regulations promulgated under that Act, shall submit to the Local Emergency Planning Committee (LEPC), the State Emergency Response Commission (SERC), and the fire department with jurisdiction over the facility, on or before March 1 annually, a completed emergency and hazardous chemical inventory form (Tier I or Tier II) as described in 40 C.F.R. Part 370, containing the information required by that part for hazardous chemicals present at the facility at any one time in the preceding calendar year in amounts equal to or greater than 10,000 pounds and containing the information required by that part for extremely hazardous substances (EHS) present at the facility at any one time in amounts equal to or greater than the threshold planning quantity (TPQ) or 500 pounds, whichever is less.

8. At some time during calendar years 2015 and 2014 acrylonitrile butadiene styrene, acrylonitrile-styrene-acrylate, zinc alloy, magnesium alloy, and polycarbonate resin were present at the facility in an amount equal to or greater than 10,000 pounds.

9. Acrylonitrile butadiene styrene, acrylonitrile-styrene-acrylate, zinc alloy, magnesium alloy, and polycarbonate resin are "hazardous chemicals" as defined by Section 329(5) of EPCRA, 42 U.S.C. § 11049(5), for which Respondent is required to prepare or have available an MSDS under OSHA at its facility.

10. Respondent failed to submit a completed Emergency and Hazardous Chemical Inventory Form for acrylonitrile butadiene styrene, acrylonitrile-styrene-acrylate, zinc alloy, magnesium alloy, and polycarbonate resin to the SERC, the LEPC, and fire department with jurisdiction over the facility for calendar year 2014 by March 1 of the following year.

11. The EPA alleges that Respondent violated the reporting requirements of Section 312 of EPCRA, 42 U.S.C. § 11022, at its facility for calendar years 2015 and 2014 and is therefore subject to the assessment of civil penalties under Section 325 of EPCRA, 42 U.S.C. § 11045.

12. Pursuant to Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), and 40 C.F.R. Part 19, EPA may assess a civil penalty for violations of Section 312. Each day a violation of Section 312 continues constitutes a separate violation. Civil penalties under Section 325(c) of EPCRA, 42 U.S.C. § 11045(c), may be assessed by Administrative Order.

#### **IV. Consent Agreement**

13. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set out above but neither admits nor denies the factual allegations set out above.

14. Respondent waives any right to contest the allegations and its right to appeal the proposed Final Order accompanying the Consent Agreement.

15. Respondent consents to the assessment of and agrees to pay the civil penalty as set forth in this CAFO.

16. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of EPCRA at the facility.

17. Compliance with this CAFO shall resolve the allegations of violations contained herein. In accordance with 40 C.F.R. § 22.18(c), compliance with this CAFO only resolves Respondent's liability for federal civil penalties for the allegations in Section III of this CAFO and does not affect the right of the EPA or U.S. to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violation of law. This CAFO does not waive, extinguish or otherwise affect Respondent's obligation to comply with all applicable provisions of EPCRA or other applicable laws and regulations.

18. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of EPCRA.

#### **V. Final Order**

19. Respondent shall pay a civil penalty of **THREE THOUSAND DOLLARS (\$3,000)**, for the EPCRA violations alleged in Section III. Payment shall be paid within thirty (30) days of the effective date of this CAFO.

20. Respondent shall pay the penalty by forwarding a cashier's or certified check, payable to "Treasurer, United States of America," to one of the following addresses:

22. For the purposes of state and federal income taxes, Respondent shall not be entitled, and agrees not to attempt, to claim a deduction for any civil penalty payment made pursuant to this CAFO. Any attempt by Respondent to deduct any such payments shall constitute a violation of this CAFO.

#### **VI. Other Provisions**

23. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on the civil penalty from the effective date of this CAFO if the penalty is not paid by the date required. Interest will be assessed at the rate established by the Secretary of Treasury pursuant to 31 U.S.C. § 3717. A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorney fees. In addition, a penalty charge will be assessed on any portion of the debt that remains delinquent more than ninety (90) days after payment is due.

24. Complainant and Respondent shall bear their own costs and attorney fees in this matter.

25. This CAFO shall be binding upon the Respondent, its successors and assigns.

26. Each undersigned representative of the parties to this CAFO certifies that he or she is fully authorized by the party represented to enter into this CAFO and legally bind that party to it.

**VII. Effective Date**

27. The effective date of this CAFO shall be the date upon which the CAFO is filed with the Regional Hearing Clerk.
