Re: Administrative Order Closure
Docket No. SDWA-08-2008-0012
PWS ID #WY5601141

Dear Mr. Sowerwine:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2008-0012, issued to you on December 28, 2007. Based on the information provided by you, EPA has determined that the Streamside Inn no longer qualifies as a public water system as of April 22, 2008, due to the low population served. Should the system regularly serve an average of at least twenty-five individuals daily at least 60 days out of the year in the future, it is your responsibility to notify EPA. This letter does not affect your responsibility to monitor the drinking water at Wapiti Valley Trout Creek Grill/High Country Adventures when it opens for the season this year.

Thank you for your cooperation in resolving this issue. If you have any questions related to this matter, please call Kathelene Brainich of my staff at (800) 227-8917 X6481.

Sincerely,

Lisa Kahn, Team Lead
