Subject: "Grove #13-11 well, draft permit number MI-051-2D-0031"

I am oppose the draft permit MI-051-2D-0031 Gladwin Injection Well "Grove #13-11 well

I am requesting another hearing . Our questions and concerns were not addressed to my satisfaction.

Michigan has the largest resource of fresh water on the planet and the EPA did not convince me and many others that the water would be safe.
