BEFORE THE ADMINISTRATOR

In the Matter of: Hugo Farfan Construction, LLC, Docket No. TSCA-07-2019-0164

Respondent

CONSENT AGREEMENT AND FINAL ORDER

Preliminary Statement

The U.S. Environmental Protection Agency, Region 7 ("EPA" or "Complainant"), and Hugo Farfan Construction, LLC ("Respondent") have agreed to a settlement of this action before the filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits, 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 16(a) of the Toxic Substances Control Act ("TSCA"), 15 U.S.C. § 2615(a).

2. This Consent Agreement and Final Order serves as notice that the EPA has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart E, Lead-Based Paint Renovation, Repair and Painting Rule, promulgated pursuant to 15 U.S.C. §§ 2682, 2686 and 2687.

Parties

3. Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Acting Director of the Enforcement and Compliance Assistance Division, EPA, Region 7.

4. Respondent is Hugo Farfan Construction, LLC, an LLC in good standing under the laws of the state of Missouri.
Statutory and Regulatory Background

5. Congress passed the Residential Lead-Based Paint Hazard Reduction Act of 1992 (the "Act"), 42 U.S.C. §§ 4851 to 4856, to address the need to control exposure to lead-based paint hazards. One of the stated purposes of the Act is to implement a broad program to reduce lead-based paint hazards in the Nation's housing stock. 42 U.S.C. § 4851a(2). The Act amended TSCA by adding Title IV—Lead Exposure Reduction, Sections 401 to 412, 15 U.S.C. §§ 2681 to 2692.

6. Section 402 of TSCA, 15 U.S.C. § 2682, requires that the Administrator of EPA promulgate regulations governing the training and certification of individuals and contractors engaged in lead-based paint activities, including renovation of target housing. Section 406 of TSCA, 15 U.S.C. § 2686, requires that the Administrator of EPA promulgate regulations requiring persons who perform for compensation a renovation of target housing to provide a lead hazard information pamphlet to the owner and occupant prior to commencing the renovation. Section 407 of TSCA, 15 U.S.C. § 2687, requires that the regulations promulgated pursuant to the TSCA include recordkeeping and reporting requirements to insure effective implementation.

8. The regulations set forth at 40 C.F.R. Subpart E, Residential Property Renovation, including the Renovation, Repair, and Painting Rule, require that owners and occupants of target housing and child-occupied facilities receive information on lead-based paint hazards before renovations begin, establish work practice standards for renovations that disturb painted surfaces in target housing and child-occupied facilities and requires that firms and individuals performing, offering, or claiming to perform such renovations are properly trained and obtain EPA certification.

9. The requirements set forth in the regulations at 40 C.F.R. Subpart E, Residential Property Renovation, apply to all renovations performed for compensation in target housing and child-occupied facilities, unless otherwise excluded as set forth in 40 C.F.R. § 745.82.

10. The regulation at 40 C.F.R. § 745.83 defines "renovation" as the modification of any existing structure, or portion thereof, that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223. The term renovation includes, but is not limited to, the removal, modification, or repair of painted
surfaces or painted components (e.g., modification of painted doors, surface restoration, window repair, surface preparation activity (such as sanding, scraping, or other such activities that may generate paint dust)); the removal of building components (e.g., walls, ceilings, plumbing, windows); weatherization projects (e.g., cutting holes in painted surfaces to install blown-in insulation or to gain access to attics, planing thresholds to install weather stripping); and interim controls that disturb painted surfaces.

11. Section 401(17) of TSCA, 15 U.S.C. § 2681(17), defines “target housing” as any housing constructed prior to 1978, except housing for the elderly or persons with disabilities or any zero-bedroom dwelling (unless any child who is less than six years of age resides or is expected to reside in such housing).

12. The regulation at 40 C.F.R. § 745.83 defines “firm” as a company, partnership, corporation, sole proprietorship or individual doing business, association, or other business entity; a Federal, State, Tribal, or local government agency; or a nonprofit organization.

13. The regulation at 40 C.F.R. § 745.83 defines “person” as any natural or judicial person including any individual, corporation, partnership, or association; any Indian Tribe, State, or political subdivision thereof; any interstate body; and any department, agency, or instrumentality of the Federal Government.

14. The regulation at 40 C.F.R. § 745.87(a) provides that failure or refusal to comply with any provision of 40 C.F.R. Part 745, Subpart E, is a violation of Section 409 of TSCA, 15 U.S.C. § 2689. Section 409 of TSCA, 15 U.S.C. § 2689, provides that it shall be unlawful for any person to fail to comply with, inter alia, any provision of 40 C.F.R. Part 745, Subpart E.

General Factual Allegations

16. On or about July 18, 2018, and pursuant to Section 11 of TSCA, 15 U.S.C. § 2610, representatives of the EPA conducted an inspection at (redacted) (“the Property”) to evaluate Respondent’s compliance with TSCA and the requirements of the Renovation, Repair, and Painting Rule (“EPA inspection”). A copy of the inspection report was mailed to Respondent on August 21, 2018.

17. Respondent is, and at all times referred to herein was, a business doing business in the state of Missouri under the name Hugo Farfan Construction, LLC.
18. Respondent, at all times referred to herein, was a "person" and "firm" as defined by 40 C.F.R. § 745.83.

19. At the time of the EPA inspection, and at all times relevant to this Consent Agreement and Final Order, Respondent was engaged in a "renovation" of the Property as defined by 40 C.F.R. § 745.83. The EPA inspection revealed that Respondent had powerwashed the exterior of the Property approximately three weeks prior to the inspection and had completed scraping the exterior of the property approximately two weeks prior to the inspection.

20. At all times relevant to this Consent Agreement and Final Order, Respondent’s renovation was a "renovation for compensation" per 40 C.F.R. § 745.82(a).

21. At all times relevant to this Consent Agreement and Final Order, the Property was "target housing" as defined by Section 401(17) of TSCA, 15 U.S.C. § 2681(17). The EPA inspection and subsequent investigation revealed that the Property was built in approximately 1905.

22. At all times relevant to this Consent Agreement and Final Order, the Property was owned by a party other than Respondent and not occupied.

23. As a result of the EPA inspection and additional information obtained by the agency, Complainant has determined that violations of the Renovation, Repair, and Painting Rule, 40 C.F.R. Part 745, Subpart E, and Section 409 of TSCA, 15 U.S.C. § 2689, occurred as a result of Respondent’s renovation activities at the Property.

Allegations of Violation

24. Complainant hereby states and alleges that Respondent has violated TSCA and federal regulations promulgated thereunder as follows:

Count 1

25. The facts stated above are herein incorporated.

26. Pursuant to 40 C.F.R. § 745.89(a)(1), firms that perform renovations for compensation must apply to EPA for certification to perform renovations. With certain exceptions not relevant here, 40 C.F.R. § 745.81(a)(2)(ii) prohibits firms from performing, offering, or claiming to perform renovations without certification from EPA in target housing or child-occupied facilities.

27. The EPA inspection revealed that Respondent failed to apply for and obtain EPA certification prior to commencing the renovation of the Property.

Count 2

29. The facts stated above are herein incorporated.

30. Pursuant to 40 C.F.R. § 745.89(d)(2), firms performing renovations must ensure that a certified renovator is assigned to each renovation performed by the firm.

31. The EPA inspection revealed that Respondent failed to assign a certified renovator to the renovation as required by 40 C.F.R. § 745.89(d)(2).

32. Respondent’s failure to assign a certified renovator to the renovation is a violation of 40 C.F.R. § 745.89(d)(2). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 3

33. The facts stated above are herein incorporated.

34. Pursuant to 40 C.F.R. § 745.84(a)(1), firms that perform renovations for compensation on target housing must provide the owner of the unit with the EPA-approved pamphlet entitled Renovate Right: Important Lead Hazard Information for Families, Child Care Providers and Schools, and obtain, from the owner, a written acknowledgement that the owner has received the pamphlet or obtain a certificate of mailing at least seven days prior to the renovation.

35. The EPA inspection revealed that Respondent failed to provide the owner of the Property with the EPA-approved pamphlet, and obtain, from the owner, a written acknowledgement that the owner has received the pamphlet or obtain a certificate of mailing at least seven days prior to the renovation.

36. Respondent’s failure to provide the owner of the Property with the EPA-approved pamphlet prior to the renovation is a violation of 40 C.F.R. § 745.84(a)(1). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 4

37. The facts stated above are herein incorporated.

38. Pursuant to 40 C.F.R. § 745.81(a)(4)(ii), all renovations must be performed in accordance with the work practice standards in 40 C.F.R. § 745.85. The regulation at 40 C.F.R. § 745.85(a)(1) requires firms to post signs clearly defining the work area and warning occupants and other persons not involved in renovation activities to remain outside of the work area.

39. The EPA inspection revealed that Respondent failed to post signs during the renovation as required by 40 C.F.R. §745.85(a)(1).
40. Respondent’s failure to post signs clearly defining the work area and warning occupants and other persons not involved in renovation to remain outside of the work area during the renovation pursuant to 40 C.F.R. § 745.85(a)(1) is a violation of 40 C.F.R. § 745.81(a)(4)(ii). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 5

41. The facts stated above are herein incorporated.

42. Pursuant to 40 C.F.R. § 745.81(a)(4)(ii), all renovations must be performed in accordance with the work practice standards in 40 C.F.R. § 745.85. The regulation at 40 C.F.R. § 745.85(a)(2)(ii)(C) requires firms before beginning the renovation, to cover the ground with plastic sheeting or other disposable impermeable material extending 10 feet beyond the perimeter of surfaces undergoing renovation or a sufficient distance to collect falling paint debris, whichever is greater, unless the property line prevents 10 feet of such ground covering.

43. The EPA inspection revealed that Respondent failed to completely cover the ground with plastic sheeting or other disposable impermeable material extending 10 feet beyond the perimeter of surfaces undergoing renovation or a sufficient distance to collect falling paint debris during the renovation, as required by 40 C.F.R. § 745.85(a)(2)(ii)(C). The EPA inspection revealed the presence of paint chips, debris, and residue present on the ground of the exterior of the Property.

44. Respondent’s failure to completely cover the ground during the renovation pursuant to 40 C.F.R. § 745.85(a)(2)(ii)(C) is a violation of 40 C.F.R. § 745.81(a)(4)(ii). Respondent, therefore, violated Section 409 of TSCA, 15 U.S.C. § 2689.

Count 6

45. The facts stated above are herein incorporated.

46. Pursuant to 40 C.F.R. § 745.81(a)(4)(ii), all renovations must be performed in accordance with the work practice standards in 40 C.F.R. § 745.85. The regulation at 40 C.F.R. § 745.85(a)(4)(i) requires waste from renovation activities to be contained to prevent releases of dust and debris before the waste is removed from the work area for storage and disposal.

47. The EPA inspection revealed that Respondent failed to contain waste from renovation activities, as required by 40 C.F.R. § 745.85(a)(4)(i). The EPA inspection revealed the presence of paint chips, debris, and residue present on the ground of the exterior of the Property and in uncovered dumpsters.

Count 7

49. The facts stated above are herein incorporated.

50. Pursuant to 40 C.F.R. § 745.81(a)(4)(ii), all renovations must be performed in accordance with the work practice standards in 40 C.F.R. § 745.85. The regulation at 40 C.F.R. § 745.85(a)(4)(ii) requires that at the conclusion of each work day and/or at the conclusion of the renovation, the firm must ensure that waste that has been collected from renovation activities be stored under containment, in an enclosure, or behind a barrier that prevents release of dust and debris out of the work area and prevents access to dust and debris.

51. The EPA inspection revealed that Respondent failed at the conclusion of each work day and/or at the conclusion of the renovation, to ensure that waste was collected from renovation activities was stored under containment, in an enclosure, or behind a barrier that prevents release of dust and debris out of the work area and prevents access to dust and debris, as required by 40 C.F.R. § 745.85(a)(4)(ii). The EPA inspection revealed the presence of paint chips, debris, and residue present on the ground of the exterior of the Property.

CONSENT AGREEMENT

53. For the purpose of this proceeding, as required by 40 C.F.R. § 22.18(b)(2), Respondent:

(a) admits the jurisdictional allegations set forth herein;

(b) neither admits nor denies the specific factual allegations stated herein;

(c) consents to the assessment of a civil penalty, as stated herein;

(d) consents to the issuance of any specified compliance or corrective action order;

(e) consents to any conditions specified herein;

(f) consents to any stated Permit Action;

(g) waives any right to contest the allegations set forth herein; and

(h) waives its rights to appeal the Final Order accompanying this Consent Agreement.
54. Respondent consents to the issuance of this Consent Agreement and Final Order and consents for the purposes of settlement to the payment of the civil penalty specified herein.

55. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorneys’ fees.

Penalty Payment

56. EPA has considered the appropriateness of the penalty pursuant to Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B), and has determined that the appropriate penalty for the violations is Thirty Six Thousand One Hundred Sixty Three Dollars ($36,163.00). However, pursuant to the statutory requirement that EPA consider a Respondent’s ability to pay, Respondent has demonstrated that it is unable to pay any penalty in this matter. Because of Respondent’s inability to pay the penalty, therefore, Complainant conditionally agrees to resolve the claims alleged herein.

57. Respondent agrees that, in settlement of the claims alleged herein, Respondent shall pay a civil penalty of Zero Dollars ($0.00), based on a substantiated ability to pay claim.

Effect of Settlement and Reservation of Rights

58. This Consent Agreement shall only resolve Respondent’s liability for federal civil penalties for the violations alleged herein. Complainant reserves the right to take any enforcement action with respect to any other violations of TSCA or any other applicable law.

59. The effect of settlement described in the immediately preceding paragraph is conditioned upon the accuracy of Respondent’s representations to the EPA, as memorialized in paragraph directly below.

60. Respondent certifies by the signing of this Consent Agreement that it is presently in compliance with all requirements of TSCA and its implementing regulations.

61. This Consent Agreement shall not in any case affect the right of the Agency or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. This Consent Agreement and Final Order does not waive, extinguish or otherwise affect Respondent’s obligation to comply with all applicable provisions of TSCA and regulations promulgated thereunder.

62. Complainant reserves the right to enforce the terms and conditions of this Consent Agreement and Final Order.

63. This CAFO constitutes a “prior such violation” as that term is used in EPA’s Interim Final Consolidated Enforcement Response and Penalty Policy for the Pre-Renovation Education Rule; Renovation, Repair and Painting Rule; and Lead-Based Paint Activities Rule to determine Respondent’s “history of prior such violations” under Section 16(a)(2)(B) of TSCA, 15 U.S.C. § 2615(a)(2)(B).
General Provisions

64. By signing this Consent Agreement, the undersigned representative of Respondent certifies that he or she is fully authorized to execute and enter into the terms and conditions of this Consent Agreement and has the legal capacity to bind the party he or she represents to this Consent Agreement.

65. This Consent Agreement shall not dispose of the proceeding without a final order from the Regional Judicial Officer or Regional Administrator ratifying the terms of this Consent Agreement. This Consent Agreement and Final Order shall be effective upon the filing of the Final Order by the Regional Hearing Clerk for EPA, Region 7. Unless otherwise stated, all time periods stated herein shall be calculated in calendar days from such date.

66. This Consent Agreement and Final Order shall apply to and be binding upon Respondent and Respondent’s agents, successors and/or assigns. Respondent shall ensure that all contractors, employees, consultants, firms, or other persons or entities acting for Respondent with respect to matters included herein comply with the terms of this Consent Agreement and Final Order.
