After this Expedited Settlement becomes effective, EPA will take no further civil action against the Respondent for the violations of the Act described in the Form. However, EPA does not waive any rights to take any enforcement action for

any other past, present, or future violations by the Respondent of the Act or of any other federal statute or regulations.

Upon signing and returning this Expedited Settlement to EPA, Respondent waives the opportunity for a hearing or appeal pursuant to Section 311 of the Act, 33 U.S.C. § 1321, and consents to EPA's approval of the Expedited Settlement without further notice.

This Expedited Settlement is binding on the parties signing below, and is effective after signature by the Regional Judicial Officer.
