Docket No. FIFRA-07-2009-0015

CONSENT AGREEMENT AND FINAL ORDER

The U.S. Environmental Protection Agency (EPA), Region 7 and Mason Chemical Company have agreed to a settlement of this action before filing of a Complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(b)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Renovation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b) and 22.18(b)(2).

Section I

Jurisdiction

1. This proceeding is an administrative action for the assessment of civil penalties instituted pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. § 136l.
2. This Consent Agreement and Final Order (CAFO) serves as notice that EPA has reason to believe that Mason Chemical Company has violated Section 12 of FIFRA, 7 U.S.C. § 136j.

Section II

Parties

3. The Complainant, by delegation from the Administrator of EPA and the Regional Administrator, EPA, Region 7, is the Director of the Water, Wetlands and Pesticides Division, EPA, Region 7.

4. The Respondent is Mason Chemical Company, a pesticide producer, located at 721 West Algonquin Road, Arlington Heights, Illinois 60005. The Respondent is and was at all times relevant to this action a "person" as defined by Section 2(s) of FIFRA, 7 U.S.C. § 136(s), and a corporation qualified to do business in the state of Illinois.

Section III

Statutory and Regulatory Background

5. Section 2(t) of FIFRA, 7 U.S.C. § 136(t), defines the term "pest" to mean (1) any insect, rodent, nematode, fungus, weed, or (2) any other form of terrestrial or aquatic plant or animal life or virus, bacteria, or other micro-organism (except viruses, bacteria, or other micro-organism on or in living man or other living animal) which the Administrator declares to be a pest under Section 25(c)(1).

6. Section 2(u) of FIFRA, 7 U.S.C. § 136(u), defines the term "pesticide" to mean any substance or mixture of substances intended for preventing, destroying, repelling, or mitigating any pest.

7. Section 2(gg) of FIFRA, 7 U.S.C. § 136(gg), defines the term "to distribute or sell" to mean to distribute, sell, offer for sale, hold for distribution, hold for sale, hold for shipment, ship, deliver for shipment, release for shipment, or receive and (having so received) deliver or offer to deliver.

8. Section 2(w) of FIFRA, 7 U.S.C. § 136(w), and 40 C.F.R. § 167.3 define the term “produce” to mean to manufacture, prepare, propagate, compound, or process any pesticide or device or active ingredient.

9. Section 2(w) of FIFRA, 7 U.S.C. § 136(w), and 40 C.F.R. § 167.3 define the term “producer” to mean any person who manufactures, prepares, compounds, propagates or processes any pesticide or device or active ingredient used in producing a pesticide.

10. Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), states it shall be unlawful for any person to distribute or sell any pesticide that is adulterated or misbranded.

11. Registrants may distribute or sell their registered product under another person’s name and address instead of, or in addition to, their own, as allowed by regulation at 40 C.F.R. § 152.132. Such distribution and sale is termed “supplemental distribution” and the product is referred to as a “distributor product.” The distributor is considered an agent of the registrant for all intents and purposes under FIFRA, and both the registrant and the distributor may be held liable for violations pertaining to the distributor product. Supplemental distribution is permitted upon notification to EPA if specific conditions, stated at 40 C.F.R. § 152.132(a) through (e), are met. As a requirement of supplemental distribution, the label of the distributor product must be the same as that of the registered product, with exceptions stated at 40 C.F.R. § 151.132(d)(1) through (5).

12. Section 2(q)(1)(A) of FIFRA, 7 U.S.C. § 136(q)(1)(A), states a pesticide is misbranded if its labeling bears any statement, design, or graphic representation relative thereto or to its ingredients which is false or misleading.

13. Section 2(c) of FIFRA, 7 U.S.C. § 136(c), states the term “adulterated” applies to any pesticide if its strength or purity falls below the professed standard of quality expressed on the labeling under which it is sold.

14. Title 40 C.F.R. § 156.10(g)(5), states that the accuracy of the percentages of active ingredients shall be as precise as possible reflecting good manufacturing practice. If there may be unavoidable variation between manufacturing batches, the value stated for each active ingredient shall be the lowest percentage which may be present.

Section IV

General Factual Allegations

15. Mason Chemical Company, Arlington Heights, Illinois, is the registrant for the pesticide registered as MAQUAT MQ615-AS, EPA Registration Number (EPA Reg. No.) 10324-67. Mason Chemical Company has submitted to EPA the required notification form and information indicating they have a supplemental distributor agreement with Kunkel Enterprises, Inc., d/b/a C K Enterprises, Inc., Lee’s Summit, Missouri. Under this agreement, C K Enterprises, Inc. is authorized by the Respondent to supplementally distribute its registered pesticide, using the brand name DICA QUAT FOOD CONTACT SANITIZER, under EPA Reg. No. 10324-67-49614.

16. On or about August 28, 2007, a representative of the Missouri Department of Agriculture (MDA) conducted an inspection at C K Enterprises, Inc. facility located at 1204 SW Jefferson Street, Lee’s Summit, Missouri. During this inspection it was documented that C K Enterprises was producing and distributing the supplemental distributor registered pesticide referenced in paragraph 15. A physical sample (one-pint) of the pesticide and its label was collected during the inspection from inventory that that was packaged, labeled, and released for

shipment. A duplicate sample was provided to C K Enterprises, Inc. The sample was transferred to the University of Iowa Hygienic Laboratory, (UHL), Iowa City, Iowa, for analysis.

Violations

17. The Complainant hereby states and alleges that Respondent has violated FIFRA and federal regulations promulgated thereunder, as follows:

Count 1

18. The facts stated in paragraphs 15 and 16 are realleged and incorporated as if fully stated herein.

19. Documentation collected during the inspection referenced in paragraph 16 revealed that the Respondent, through C K Enterprises, Inc. was producing, distributing, and holding for sale or distribution the adulterated and misbranded pesticide referenced in paragraphs 15 and 16.

20. The pesticide product, DICA QUAT FOOD CONTACT SANITIZER, EPA Registration No. 10324-67-49614, referenced in paragraphs 15 and 16 was misbranded in that the label stated in part:

“ * * * ”

DICA QUAT
FOOD CONTACT SANITIZER

ACTIVE INGREDIENTS:

Octyl Decyl Dimethyl Ammonium Chloride.....	3.0750%
Didecyl Dimethyl Ammonium Chloride.....	1.5375%
Diocetyl Dimethyl Ammonium Chloride.....	1.5375%
Alkyl (C14, 50%, C12, 40%, C16, 10%) Dimethyl benzyl ammonium chloride.....	4.1000%
INERT INGREDIENTS:	89.7500%
TOTAL	100.0000%

* * * ”

For a total of 10.2500% quaternary ammonium chlorides. Whereas, when analyzed, the pesticide product contained less than 10.2500% quaternary ammonium chlorides.

21. The UHL report of analysis found that the pesticide referenced in paragraphs 15 and 16 contained only 8.2000% of total quaternary ammonium chlorides. The UHL check analysis found that the product only contained 7.53% total Quaternary ammonium chlorides. Due to this deficiency, the product would not be fully effective in controlling microorganisms and bacteria.

22. The pesticide product referenced in paragraphs 15 and 16 was adulterated in that its strength or purity fell below the professed standard or quality under which it was sold or being held for sale.

23. Respondent violated Section 12(a)(1)(E) of FIFRA, 7 U.S.C. § 136j(a)(1)(E), in that it held for sale or distribution, through its distributor, C K Enterprises, Inc., a pesticide which is misbranded and adulterated.

24. Pursuant to Section 14 of FIFRA, 7 U.S.C. § 136l, and based on the facts stated in paragraphs 15 through 23, it is proposed that a civil penalty of \$3,120 be assessed against the Respondent.

Section V

Consent Agreement

25. For purposes of this proceeding, Respondent admits the jurisdictional allegations set forth above.

26. Respondent neither admits nor denies the factual allegations set forth above.

27. Respondent waives its right to contest any issue of fact or law set forth above and its right to appeal the Final Order accompanying this Consent Agreement.

28. Respondent and EPA agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorney's fees.

29. Nothing contained in the Final Order portion of this CAFO shall alter or otherwise affect Respondent's obligation to comply with all applicable federal, state, and local environmental statutes and regulations and applicable permits.

30. The undersigned representative of Respondent certifies that he or she is fully authorized to enter into the terms and conditions of this CAFO and to execute and legally bind Respondent to it.

31. Respondent certifies that by signing this CAFO that, to its knowledge, it is presently in compliance with FIFRA, 7 U.S.C. § 136 *et. seq.*, and all regulations promulgated thereunder.

32. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a civil penalty as specified in the Final Order.

33. Payment of this civil penalty in full shall resolve all civil and administrative claims for all violations of FIFRA alleged in this document. Complainant reserves the right to take any enforcement action with respect to any other violations of FIFRA or any other applicable law.

34. Late Payment Provisions. Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Respondent understands that its failure to timely pay any portion of the civil penalty described in paragraph 1 of the Final Order may result in the commencement of a civil action in Federal District Court to recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall accrue thereon at the

applicable statutory rate on the unpaid balance until such civil penalty and any accrued interest are paid in full. A late payment handling charge of \$15 will be imposed after thirty (30) days and an additional \$15 will be charge for each subsequent thirty (30) day period. Additionally, as provided by 31 U.S.C. § 3717(e)(2), a six percent (6%) per annum penalty (late charge) may be assessed on any amount not paid within ninety (90) days of the due date.

Section VI

Final Order

Pursuant to Section 14 of FIFRA, as amended, 7 U.S.C. §136l, and according to the terms of the Consent Agreement set forth above, **IT IS HEREBY ORDERED THAT:**

1. Respondent shall pay a civil penalty of \$3,120 within thirty (30) days of the effective date of this Final Order. Such payment shall identify Respondent by name and docket number and shall be by certified or cashier's check made payable to the "United States Treasury" and sent to:
