I. NATURE OF ACTION

1. This is an administrative penalty assessment proceeding brought under Section 205(c)(1) of the Clean Air Act (“CAA” or the “Act”), 42 U.S.C. § 7524(c)(1), and Sections 22.13(b) and 22.18 of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), as codified at Title 40 of the Code of Federal Regulations (C.F.R.), Part 22.
2. This Consent Agreement and the attached Final Order shall collectively be referred to as the CAFO.
3. Having found that settlement is consistent with the provisions and objectives of the Act and applicable regulations, the Parties have agreed to settle this action pursuant to 40 C.F.R. § 22.18 and consent to the entry of this CAFO without Respondent’s admission of violation or adjudication of any issues of law or fact herein.

II. PARTIES

4. Complainant is the Director of the Enforcement and Compliance Assurance Division, U.S. Environmental Protection Agency (EPA), Region 4, who has been delegated the authority on behalf of the Administrator of the EPA to enter into this CAFO pursuant to 40 C.F.R. Part 22 and Section 205(c)(1) of the Act.
5. Respondent is Kooks Custom Headers, Inc., a corporation doing business in the State of North Carolina. This proceeding pertains to Respondent’s facility located at 141 Advantage Place, Statesville, North Carolina 28677 (Facility).

III. GOVERNING LAW

6. This proceeding arises under Part A of Title II of the Act, CAA §§ 202-219, 42 U.S.C. §§ 7521-7554, and the regulations promulgated thereunder.
7. The Act requires the EPA to prescribe and revise, by regulation, standards applicable to the emission of any air pollutant from new motor vehicles or new motor vehicle engines which cause or contribute to air pollution, which may reasonably be anticipated to endanger public health or welfare. Section 202(a)(1) and (3) of the CAA, 42 U.S.C. § 7521(a)(1) and (3); 40 C.F.R. part 86.
8. Section 203(a)(3)(B) of the Act, 42 U.S.C. § 7522(a)(3)(B), prohibits any “person” from manufacturing, selling, offering to sell, or installing any parts or components intended for use with, or as part of, a “motor vehicle” or “motor vehicle engine,” where a principal effect of the part or component is to bypass, defeat, or render inoperative any device or element of design installed on or in a “motor vehicle” or “motor vehicle engine” in compliance with the regulations under Subpart A of Title II of the Act, and where the person knows or should know that the part or component is being offered for sale or installed for such use or put to such use.
9. Any person who violates Section 203 of the Act, 42 U.S.C. § 7522, or a rule promulgated thereunder, may be assessed a civil penalty pursuant to Section 205(c)(1) of the Act, 42 U.S.C. § 7524(c)(1), and 40 C.F.R. Part 19. Civil penalties under Section 205(c)(1) of the Act, 42 U.S.C. § 7524(c)(1), may be assessed by an administrative order. The Administrator may compromise, or remit, with or without conditions, any administrative penalty which may be imposed under Section 205(c)(1) of the Act, 42 U.S.C. § 7524(c)(1).
10. Section 302(e) of the Act, 42 U.S.C. § 7602(e), defines “person” as an individual, corporation, partnership, association, State, municipality, political subdivision of a State, and any agency, department, or instrumentality of the United States and any officer, agent, or employee thereof.
11. Section 203(a)(1) of the Act prohibits a vehicle manufacturer from selling a new motor vehicle in the United States unless the vehicle is covered by a certificate of conformity (COC). 42 U.S.C. § 7522(a)(1).
12. Section 216(2) of the Act, 42 U.S.C. § 7550(2), defines “motor vehicle” as any self-propelled vehicle designed for transporting persons or property on a street or highway.
13. Section 216(3) of the Act, 42 U.S.C. § 7550(3), defines “motor vehicle engine” as an engine that is designed to power a motor vehicle.
14. The EPA issues COCs to motor engine and motor vehicle manufacturers under section 206(a) of the CAA, 42 U.S.C. § 7525(a), to certify that a particular group of motor vehicles conforms to applicable EPA requirements governing motor vehicle emissions.
15. The application for a COC must describe, among other things, the emissions-related “elements of design” of the motor vehicle or motor vehicle engine. See 40 C.F.R. § 86.1844-01.
16. 40 C.F.R. § 86.1803-01 defines “element of design” as any control system (i.e., computer software, electronic control system, emission control system, computer logic), and/or control

system calibrations, and/or the results of systems interaction, and/or hardware items on a motor vehicle or motor vehicle engine.

17. To meet the emission standards in 40 C.F.R. part 86 and qualify for a COC, motor vehicle manufacturers may utilize “elements of design” that control emissions of air pollutants, such as exhaust gas recirculation, catalytic converters, diesel particulate filters, and/or selective catalytic reduction systems.

VIII. EFFECT OF CAFO

45. In accordance with 40 C.F.R. § 22.18(c), Respondent's full compliance with this CAFO shall only resolve Respondent's liability for federal civil penalties for the violations and facts specifically alleged above.
46. Full payment of the civil penalty, as provided in Section VI (Terms of Payment) shall not in any case affect the right of EPA or the United States to pursue appropriate injunctive or other equitable relief or criminal sanctions for any violations of law. 40 C.F.R. § 22.18(c).
47. Any violation of this CAFO may result in a civil judicial action for civil penalties as provided in Section 205(c)(6) of the Act, 42 U.S.C. § 7414(c)(6), as well as criminal sanctions as provided in Section 113(c) of the Act, 42 U.S.C. § 7413(c). EPA may use any information submitted under this CAFO in an administrative, civil judicial, or criminal action.
48. Nothing in this CAFO shall relieve Respondent of the duty to comply with all applicable provisions of the Act and other federal, state, or local laws or statutes, nor shall it restrict EPA's authority to seek compliance with any applicable laws or regulations, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state, or local permit, except as expressly provided herein.
49. Nothing herein shall be construed to limit the power of EPA to undertake any action against

Respondent or any person in response to conditions that may present an imminent and substantial endangerment as provided under the Act.

50. The terms, conditions, and compliance requirements of this CAFO may not be modified or amended except upon the written agreement of both Parties, and approval of the Regional Judicial Officer.
51. Any change in the legal status of the Respondent, or change in ownership, partnership, corporate or legal status relating to the Facility, will not in any way alter Respondent's obligations and responsibilities under this CAFO.
52. By signing this Consent Agreement, both Parties agree that each party's obligations under this CAFO constitute sufficient consideration for the other party's obligations.
53. EPA also reserves the right to revoke this CAFO and settlement penalty if and to the extent that EPA finds, after signing this CAFO, that any information provided by Respondent was materially false or inaccurate at the time such information was provided to EPA. If such false or inaccurate material was provided, EPA reserves the right to assess and collect any and all civil penalties for any violation described herein. EPA shall give Respondent notice of its intent to revoke, which shall not be effective until received by Respondent in writing.
54. It is the intent of the parties that the provisions of this CAFO are severable. If any provision or authority of this CAFO or the application of this CAFO to any party or circumstances is held by any judicial or administrative authority to be invalid or unenforceable, the application of such provisions to other parties or circumstances and the remainder of the CAFO shall remain in force and shall not be affected thereby.
55. Unless specifically stated otherwise in this CAFO, each party shall bear its own attorney's fees, costs, and disbursements incurred in this proceeding.
