CONSENT AGREEMENT AND FINAL ORDER

This proceeding for the assessment of civil penalties was initiated on or about September 27, 2007, pursuant to Section 14 of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), 7 U.S.C. §136l, when the United States Environmental Protection Agency (Complainant or EPA) issued a "Complaint and Notice of Opportunity for Hearing" to Revival Animal Health, Inc. (Respondent).

The Complaint charged Respondent with violating FIFRA §§ 12(a)(1)(A), 12(a)(1)(E); 7 U.S.C. § 136j (a)(1)(A), 7 U.S.C. § 136j (a)(1)(E). Respondent timely filed its Answer and Affirmative Defenses on December 17, 2007.

Subsequently, Complainant and Respondent entered into negotiations in an attempt to resolve disputed allegations in the Complaint. This Consent Agreement and Final Order (CAFO) set forth herein below is the result of these negotiations and represents settlement of this Complaint.

CONSENT AGREEMENT

It is hereby agreed and accepted by Respondent that:

1. This CAFO is being entered into by the parties in full settlement of, and release from all FIFRA civil penalties that might have attached as a result of allegations in the Complaint. The Respondent has read the Consent Agreement, finds it reasonable, consents to the issuance and its terms and explicitly waives its rights to further request a hearing on the Complaint, this Agreement, or the Final Order.
2. Respondent admits the jurisdictional allegations of the Complaint.

3. By this CAFO, Respondent neither admits nor denies violations of FIFRA as set forth in the Complaint.

4. Respondent certifies by signing this CAFO that, to its knowledge, it is presently in compliance with FIFRA, 7 U.S.C. § 136 et seq. and all regulations promulgated thereunder.

5. Pursuant to Section 14 of FIFRA, as amended, 7 U.S.C. § 136L, the nature of the violations, Respondent's agreement to perform a Supplemental Environmental Project (SEP) and other relevant factors, EPA has determined that an appropriate total mitigated civil penalty to settle this action is in the amount of Three Thousand Four Hundred dollars (\$3,400).

6. Respondent consents for the purposes of settlement to the payment of the civil penalty cited in the foregoing paragraph and the performance of the SEP.

7. Payment of the penalty shall be by cashier or certified check, due within thirty (30) days of the effective date this CAFO. The payment shall reference Docket Number FIFRA-07-2007-0024, made payable to "Treasurer, United States of America" in the amount of Three Thousand Four Hundred dollars (\$3,400) and remitted to:

The value of the product(s) provided shall be not less than Nine Thousand Six Hundred dollars (\$9600.00) based upon the Respondent's wholesale cost of the product(s).

b) Within sixty-one calendar days of the effective date of this CAFO, Respondent shall submit an Interim SEP Report to Complainant. For purposes of this Paragraph, "acceptable documentation" includes invoices, purchase orders, or other documentation that specifically identifies and itemizes the individual costs of the goods and /or services for which payment is being made. Respondent further certifies that it has not received, and is not presently negotiating to receive, credit in any other enforcement action for the SEP.

j) Respondent agrees not to claim any funds expended in the performance of the SEPs as a deductible business expense for the purpose of Federal, state, or local taxes.

a) In the event Respondent fails to comply with any of the terms or provisions of this Agreement relating to the performance of the SEP as set forth in Paragraph 8 above and/or to the extent that the actual expenditures for the SEP do not equal or exceed the cost of the SEP described in Paragraphs, Respondent shall be liable for stipulated penalties according to the provisions set forth below:

(i) Except as provided in subparagraph (ii) and (iii) immediately below, if the SEP is not completed satisfactorily and timely pursuant to the agreement set forth in Paragraph 8, Respondent shall be liable for and shall pay a stipulated penalty to the United States in the amount of Nine Thousand Six Hundred dollars (\$9600.00);

b) The determination of whether the SEP has been satisfactorily completed and whether the Respondent has made a good faith, timely effort to implement the SEP shall be in the sole discretion of EPA.

c) Stipulated penalties shall begin to accrue on the day after performance is due, and shall continue to accrue through the final day of the completion of the activity.

d) Respondent shall pay stipulated penalties not more than fifteen (15) days after receipt of written demand by EPA for such penalties. Method of payment shall be in accordance with the provisions of Paragraph 7 above.

10. Late Payment Provisions: Pursuant to 31 U.S.C. § 3717, EPA is entitled to assess interest and penalties on debts owed to the United States and a charge to cover the cost of processing and handling a delinquent claim. Interest will therefore begin to accrue on a civil or stipulated penalty if it is not paid by the date required. Interest will be assessed at a rate of the

United States Treasury tax and loan rate in accordance with 4 C.F.R. § 102.13(c). A charge will be assessed to cover the costs of debt collection, including processing and handling costs and attorneys fees. In addition, a non-payment penalty charge of six (6) percent per year compounded annually will be assessed on any portion of the debt which remains delinquent more than ninety (90) days after payment is due. Any such non-payment penalty charge on the debt will accrue from the date the penalty payment becomes due and is not paid. 4 C.F.R. §§102.13(d) and (e).

11. This CAFO shall not relieve the Respondent of its obligation to comply with all applicable provisions of federal, state or local law, nor shall it be construed to be a ruling on, or determination of, any issue related to any federal, state or local permit, nor shall it be construed to constitute EPA approval or endorsement of the product purchased by the Respondent and provided to the recipient organizations in connection with the SEP undertaken pursuant to this Agreement.

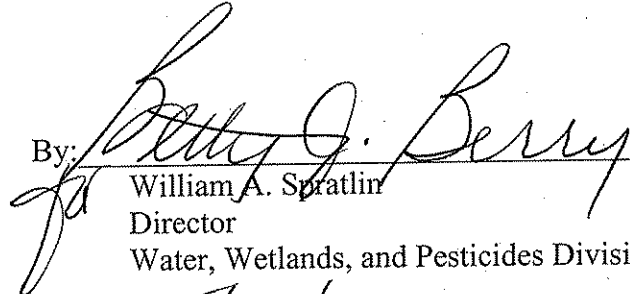

12. This CAFO constitutes a settlement by EPA of all claims for civil penalties pursuant to FIFRA for any violation based on transactions and inspections alleged in the Complaint. As of the date of this CAFO, EPA has not received any other complaints from the public, or otherwise been advised, of transactions allegedly involving misbranded or unregistered pesticide product distributed or sold by Respondent. Nothing in this CAFO is intended to nor shall be construed to affect the right of EPA or the United States to pursue criminal sanctions for a violation of law. Compliance with this CAFO shall not be a defense to any actions subsequently commenced pursuant to Federal laws and regulation administered by EPA, and it is the responsibility of Respondent to comply with such laws and regulations.

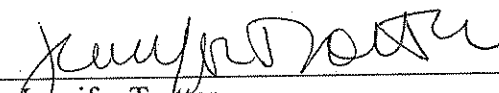

13. Each undersigned representative of the parties to this Consent Agreement certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this Consent Agreement and to execute and legally bind that party to it.

14. Each party shall bear its own costs and attorneys fees in connection with the action resolved by this CAFO.

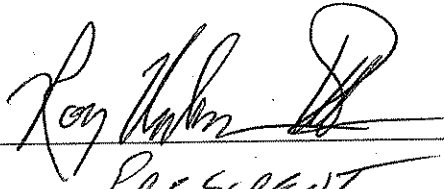

15. The effective date of this Order shall be the date on which it is signed by the Regional Judicial Officer.
