 - d. Pursuant to 40 C.F.R. § 745.113(b)(3), each contract to lease target housing shall include, as an attachment to or within the contract, a list of any records or reports available to the Lessor that pertain to lead hazard information, or an indication that no such list exists. IV. Consent Agreement

- 8. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the factual allegations set forth above.
- 9. Respondent waives its right to a hearing on the allegations contained herein, and its right to appeal the proposed final order accompanying the consent agreement.
- 10. Respondent consents to the assessment of the penalty proposed by EPA, and agrees to pay the civil penalty as set forth in this CAFO.
- 11. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of 40 C.F.R. Part 745, Subpart F.

12. This CAFO constitutes a settlement by EPA of all claims for civil penalties pursuant to Section 16(a) of TSCA, for the specific violations alleged herein. Except as specifically provided in this CAFO, EPA reserves all other civil and criminal enforcement authorities, including the authority to address imminent hazards. Compliance with this CAFO shall not be a defense to any other actions subsequently commenced pursuant to Federal laws and regulations administered by EPA, and it is Respondent's responsibility to comply with said laws and regulations.
13. Complainant and Respondent agree to settle this matter by their execution of this CAFO. The parties agree that the settlement of this matter is in the public interest and that this CAFO is consistent with the applicable requirements of 40 C.F.R. Part 745, Subpart F.

V. Terms of Settlement

14. Pursuant to 15 U.S.C. § 2615(a), TSCA Section 16(a), the nature of the alleged violation, Respondent's agreement to perform a Supplemental Environmental Project (SEP) and other relevant factors, EPA has determined that an appropriate civil penalty to settle this action is in the amount of **Two Hundred Sixty Five Dollars and Fifty Six Cents** (\$265.56).
15. Respondent consents to the issuance of this CAFO and consents, for purposes of settlement, to the payment of the civil penalty as cited in the foregoing paragraph and to the performance of the SEP set forth herein.
16. Pursuant to 40 C.F.R. § 745.107(a)(2), a Lessor shall disclose to the Lessee the presence of any known lead-based paint and/or lead-based paint hazards in the target housing leased. At the time the violations listed in paragraph 7 above were identified by EPA, Respondent asserts that they had no knowledge of the presence of any lead-based paint

and/or lead-based paint hazards in its target housing identified in paragraph 6.

17. Respondent, as of the date of this CAFO, has completed the following Environmental Quality Assessment SEP which the parties agree was intended to reduce risks to public health and the environment due to exposure to lead by identifying lead-based paint and/or lead-based paint hazards in its target housing.
 - a. Respondent conducted a lead-based paint inspection and a lead-based paint risk assessment of its target housing to identify lead-based paint and/or lead-based paint hazards.
 - b. Respondent initiated the lead-based paint inspection and lead-based paint risk assessment of its target housing. The activities began after the commencement of settlement meetings with EPA concerning alleged violations of the lead-based paint disclosure rule (40 C.F.R. Part 745 Subpart F) associated with target housing as identified in paragraph 6.
 - c. Based on the information provided in Respondent's SEP Completion Report, as identified in paragraph 17.d. below, the lead-based paint inspection and lead-based paint risk assessment of Respondent's target housing was conducted in compliance with the applicable requirement of 40 C.F.R. § 745.227.
 - d. Respondent's certified lead-based paint inspector/lead-based paint risk assessor, after conducting the lead-based paint inspection and lead-based paint risk assessment, determined Respondent's target housing to be lead-based paint free.
 - e. Respondent expended \$4,437.00 in completing the SEP.
 - f. Respondent submitted a SEP Completion Report within 10 days of the completion of the SEP to the following:

- g. Respondent's SEP Completion Report included an EPA certified lead-based paint inspection report.
 - h. Respondent has satisfactorily completed the agreed upon Assessment SEP.
26. Respondent certifies that, as of the date this CAFO is signed, Respondent is not required to perform any part of the SEP by any federal, state or local law, regulation, permit or order, or by any agreement or grant. Respondent further certifies that it has not received, and is not negotiating to receive, credit for any part of the SEP in any other enforcement action of any kind.
27. For federal income tax purposes, Respondent agrees that it will neither capitalize into inventory or basis, nor deduct any costs or expenditures incurred in performing the SEP.
28. Any public statement, oral or written, made by Respondent making reference to the SEP, shall include the following language: "This project was undertaken in connection with the settlement of an enforcement action taken by the U.S. Environmental Protection Agency for violations of Section 409 of the Toxic Substance Control Act, 15 U.S.C. § 2689."
