5. Except as provided in Paragraph 4 above, Respondent neither admits nor denies the specific factual allegations and legal conclusions set forth in this Consent Agreement.
6. Respondent agrees not to contest the jurisdiction of EPA with respect to the execution of this Consent Agreement, the issuance of the attached Final Order, or the enforcement of this CAFO.
7. For purposes of this proceeding only, Respondent hereby expressly waives any right to contest any issue of law or fact set forth in this Consent Agreement and any right to appeal the accompanying Final Order.

11. Pursuant to 40 C.F.R. § 745.83, the term “firm” means “a company, partnership, corporation, sole proprietorship or individual doing business, association or other business entity; a Federal, State, Tribal or local government agency; or a nonprofit organization.”
12. Pursuant to 40 C.F.R. § 745.83, the term “renovation” means “the modification of any existing structure, or portion thereof that results in the disturbance of painted surfaces, unless that activity is performed as part of an abatement as defined by 40 C.F.R. § 745.223.

13. Pursuant to Section 401(17) of TSCA, 15 U.S.C. § 2681(17), the term “target housing” means “any housing constructed prior to 1978, except housing for the elderly or persons with disabilities (unless any child who is less than 6 years of age resides or is expected to reside in such housing) or any 0-bedroom dwelling.”
14. Respondent, at all times relevant to the violations alleged in this Consent Agreement, was a “firm” who performed a “renovation,” as those terms are defined at 40 C.F.R. § 745.83, at the following five properties: 215 ½ N. Such civil penalty amount shall become due and payable immediately upon Respondent's receipt of a true and correct copy of this signed and executed CAFO. 33. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment or to comply with the conditions in this Consent Agreement and the attached Final Order shall result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.
34. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a copy of this CAFO is mailed or hand-delivered to Respondent. However, EPA will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which such interest begins to accrue. Interest will be assessed at the rate of the United States Treasury tax and loan account rate in accordance with 40 C.F.R. § 13.11(a).
35. The costs of the EPA's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each subsequent thirty (30) days the penalty remains unpaid.
36. A late penalty payment of six percent (6%) per year will be assessed monthly on any portion of the civil penalty which remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
37. Respondent agrees not to deduct for federal tax purposes the civil monetary penalty specified in this Consent Agreement and the accompanying Final Order.

VII. EFFECT OF SETTLEMENT

38. The settlement set forth in this CAFO shall constitute full and final satisfaction of all civil claims for penalties which Complainant may have under TSCA for the specific violations alleged in Section IV ("Findings of Fact and Conclusions of Law") above. Compliance with this CAFO shall not be a defense to any action commenced at any time for any other violation of the federal laws and regulations administered by EPA.

VIII. OTHER APPLICABLE LAWS

39. Nothing in this CAFO shall relieve Respondent of the obligation to comply with all applicable federal, state, and local laws and regulations.

IX. CERTIFICATION OF COMPLIANCE

40. Respondent certifies to EPA, upon personal investigation and to the best of its knowledge and belief, that it currently is complying with applicable provisions of TSCA and 40 C.F.R. Part 745.

X. RESERVATION OF RIGHTS

41. This Consent Agreement and the accompanying Final Order resolve only EPA's claims for civil monetary penalties for the specific violations alleged against the Respondent in the Complaint. EPA reserves the right to commence action against any person, including Respondent, in response to any condition which EPA determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c). Further, EPA reserves any rights and remedies available to it under TSCA and any other federal laws or regulations for which EPA has jurisdiction, to enforce the provisions of this CAFO following its filing with the EPA Regional Hearing Clerk.

Clerk pursuant to the Consolidated Rules of Practice.

**XIII. ENTIRE AGREEMENT**

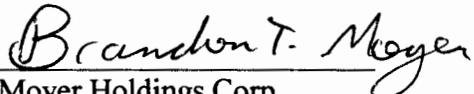

44. This Consent Agreement and the accompanying Final Order constitute the entire agreement and understanding of the parties regarding settlement of all claims pertaining to the specific violations alleged herein and there are no representations, warranties, covenants, terms, or conditions agreed upon between the parties other than those expressed in this CAFO.

**XIV. EXECUTION**
