CONSENT AGREEMENT AND FINAL ORDER

I. Nature of the Action

1. This is a civil penalty proceeding pursuant to Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a), and pursuant to the Consolidated Rules of Practice Governing Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. Part 22. The authority to take action under Section 16(a) of TSCA, 15 U.S.C. § 2615(a) is vested in the Administrator of the United States Environmental Protection Agency. Complainant is the Administrator of the United States Environmental Protection Agency. On the EPA's behalf, the Director of the Enforcement and Compliance Assurance Division, Region 4, is delegated the authority to settle civil administrative penalty proceedings under Section 16(a) of TSCA, 15 U.S.C. § 2615(a). Respondent is Construction Specialties of Columbia, Inc., a company doing business in the State of South Carolina.
2. Complainant and Respondent have conferred for the purpose of settlement pursuant to 40 C.F.R. § 22.18 and desire to resolve this matter and settle the allegations described herein without a formal hearing. Therefore, without the taking of any evidence or testimony, the making of any argument, or the adjudication of any issue in this matter, and in accordance with 40 C.F.R. § 22.13(b), this Consent Agreement and Final Order (CAFO) will simultaneously commence and conclude this matter.

II. Preliminary Statements

3. Pursuant to Sections 402 and 406 of the Toxic Substances Control Act (TSCA), 15 U.S.C. §§ 2682 and 2686, the Administrator of the EPA promulgated Residential Property Renovation Rules at 40 C.F.R. Part 745, Subpart E including the Pre-Renovation Education Rule, the Renovation, Repair and Painting Rule, and the Lead-Based Paint Activities Rule. It is a prohibited act under Section 409 of TSCA, 15 U.S.C. § 2689, for any person to fail or refuse to comply with any of the rules issued under 40 C.F.R. Part 745, Subpart E.

III. Specific Allegations

4. Respondent is a “firm” that performs “renovations” for compensation as those terms are defined, by 40 C.F.R. § 745.83. Based on a review of Respondent’s records during an EPA inspection at Respondent’s office on November 27, 2018, the EPA determined that Respondent performed renovation activities at 3208 Devereaux Road, Columbia, SC on or about October 6, 2016; 10 Pine Forest Circle, Columbia, SC on or about November 20, 2015; 1400 Summerville Avenue, Columbia, SC on or about January 22, 2016; 1718 Madison Road, Unit 4, Columbia, SC on or about September 26, 2017; and 206 Lemonwood Circle, Hopkins, SC on or about November 16, 2016.
5. The residential units are “target housing,” as that term is defined by 40 C.F.R. § 745.103.
6. Based on its inspection of the Respondent’s records, the EPA alleges that Respondent violated Sections 402 and 406 of TSCA and 40 C.F.R. Part 745, Subpart E, in connection with the renovation described in paragraph 4, as follows:
 - a. Respondent failed to apply to EPA and obtain firm certification to perform, offer or claim to perform renovations or dust sampling for compensation as required by 40 C.F.R. §§ 745.81(a)(2)(ii) and 745.89(a).

- b. Respondent failed to provide the owner of the unit with the EPA-approved lead hazard information pamphlet as required by 40 C.F.R. § 745.84(a)(1).

IV. Consent Agreement

7. For the purposes of this CAFO, Respondent admits the jurisdictional allegations set forth above and neither admits nor denies the factual allegations set forth above.
8. Respondent waives its right to a hearing on the allegations contained herein and its right to appeal the Final Order accompanying the Consent Agreement.
9. Respondent consents to the assessment of the penalty proposed by the EPA and agrees to pay the civil penalty as set forth in the Final Order section of this CAFO.
10. Respondent certifies that as of the date of its execution of this CAFO, it is in compliance with all relevant requirements of 40 C.F.R. Part 745, Subpart E.
11. In accordance with 40 C.F.R. § 22.18(c), compliance with this CAFO only resolves Respondent's liability for federal civil penalties for the allegations of violation in Section III of this CAFO. This CAFO shall not otherwise affect any liability of Respondent to the United States. Other than as expressed herein, neither the EPA nor Complainant waives any right to bring an enforcement action against Respondent for violation of any federal or state statute, regulation or permit, to initiate an action for imminent and substantial endangerment, or to pursue criminal enforcement.

V. Final Order

12. Respondent is assessed a civil penalty of **ONE THOUSAND AND ELEVEN DOLLARS (\$1,011)** which shall be paid within thirty (30) days after the effective date of this CAFO.
13. Respondent shall remit the penalty payment by either a cashier's or certified check made payable to the "Treasurer, United States of America."
