Dear Mr. Ashmore:

This letter is to notify you that the Expedited settlement Agreement (ESA) for the above-referenced matter has been signed by the U.S. Environmental Protection Agency and became effective on the date of filing with the Regional Hearing Clerk, as required by 40 C.F.R. §§ 22.6 and 22.31, as indicated on the Certificate of Service. The ESA is binding on the EPA and Ashmore Bros. Inc. A copy of the ESA is enclosed.

Pursuant to the ESA, you shall submit the payment of \$1,450 within thirty (30) days of the receipt of this letter. The payment shall be made in one of the forms stated in Enclosure A. For additional payment information see EPA's payments webpage http://www2.epa.gov/financial/makepayment.

If paying by check, you shall send a separate copy of the check and a written statement that the payment is being made in accordance with this CAFO, to the persons at the following addresses:

Ms. Patricia Bullock Regional Hearing Clerk U.S. EPA - Region 4 61 Forsyth Street S.W. Atlanta, Georgia 30303-8960

## UNITED STATES ENVIRONMENTAL PROTECTION AGENCY **REGION 4** 61 FORSYTH ST S.W. ATLANTA, GEORGIA 30303-8960 SPCC EXPEDITED SETTLEMENT AGREEMENT

## DOCKET NO.: CWA-04-2016-7000(b)

On June 16, 2015, an authorized representative of the United States Environmental Protection Agency (EPA) conducted an inspection of the facility located at 1880 South Highway 14, Greer, South Carolina, owned and/or operated by Ashmore Bros., Inc. (Respondent) to determine compliance with the Spill Prevention, Control and Countermeasures (SPCC) regulations promulgated at 40 CFR Part 112 under the Clean Water Act (CWA) § 311(j), 33 U.S.C. § 1321(j). Based on that inspection, the EPA finds that Respondent had failed to comply with the SPCC regulations as described on the attached 'SPCC Inspection, Findings, Alleged Violations and Proposed Penalty Form" (Form), which is incorporated by reference.

The EPA finds Respondent's conduct is subject to the SPCC regulations and Respondent has violated the SPCC regulations as described in the Form. Respondent admits being subject to 40 CFR Part 112 and that the EPA has jurisdiction over Respondent and Respondent's conduct as described in the Form. Respondent does not contest the inspection findings, and neither admits nor denies the allegations in the Form.

The EPA is authorized to enter into this Expedited Settlement Agreement (ESA) under the authority vested in the Administrator of the EPA by CWA § 311(b)(6)(B)(i), 33 U.S.C. § 1321(b)(6)(B)(i), as amended by the Oil Pollution Act of 1990, and by 40 CFR § 22.13(b) and § 22.18(b)(2)-(3). The parties enter into this ESA to settle the civil violations described in the Form for a penalty of \$1,450. Respondent consents to the assessment of this penalty.

This ESA is also subject to the following terms and conditions; Respondent certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that the violations have been corrected and Respondent is in compliance with 40 C.F.R. Part 112. Respondent agrees to pay the penalty assessed within thirty (30) calendar days of receiving written notice that the ESA has been executed and is effective. Do not enclose payment. The EPA will provide instructions in writing on the procedures for making the penalty payment to the "Oil Spill Liability Trust Fund" with a copy of the Final Order.

After the parties sign this ESA and Respondent pays the civil penalty, the EPA will take no further action against Respondent for the violations of the SPCC regulations described in the Form. However, the EPA does not waive any rights to take enforcement action for any other violations by Respondent of the SPCC regulations or of any other federal statue or regulation.

Upon signing and returning this ESA to the EPA, Respondent waives any right to judicial review under CWA 311(b)(6)(G). 33 U.S.C. § 1321(b)(6)(G), any right to appeal or request a hearing to contest any fact or allegation, and consents to the EPA's approval of the ESA without further notice. Failure by Respondent to pay the penalty assessed by this ESA in full by its due date may subject Respondent to a civil action to collect the assessed penalty plus interest, attorney's fees, costs and an additional quarterly nonpayment penalty pursuant to CWA § 311(b)(6)(H), 33 U.S.C. § 1321(b)(6)(H). In any such collection action, the validity, amount, and appropriateness of the penalty shall not be subject to review.

This ESA is binding on the parties signing below. Each person signing this ESA certifies that he or she has the authority to sign for the party who he or she represents and to bind that party to its terms. The ESA is effective upon the EPA's filing of the ESA with the Regional Hearing Clerk. If Respondent does not sign and return this ESA as presented within thirty (30) calendar days of the date of its receipt, the proposed ESA will be withdrawn without prejudice to the EPA's ability to file any other enforcement action for the noncompliance identified in the Form.
