This ESA is issued to: The Dodge City Cooperative Exchange

At: 1101 Prairie, Ford, Kansas 67842

for violating Section 112(r)(7) of the Clean Air Act.

The United States Environmental Protection Agency, Region 7 (EPA) and The Dodge City Cooperative Exchange (Respondent), have agreed to a settlement of this action before filing of a complaint, and thus this action is simultaneously commenced and concluded pursuant to Rules 22.13(b) and 22.18(B)(2) of the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits (Consolidated Rules), 40 C.F.R. §§ 22.13(b), 22.18(b)(2).

The Complainant, by delegation of the Administrator of the EPA, is the Director of the Air and Waste Management Division. The Respondent is The Dodge City Cooperative Exchange, 1101 Prairie, Ford, Kansas 67842.

This is an administrative action for the assessment of civil penalties instituted pursuant to Section 113(d) of the Clean Air Act (CAA). Pursuant to Section 113(d) of the CAA, 42 U.S.C. § 7413(d), the Administrator and the Attorney General jointly determined that cases which meet the criteria set forth in EPA's policy entitled "Use of Expedited Settlements in Addressing Violations of the Clean Air Act Chemical Accident Prevention Provision, 40 C.F.R. Part 68," dated January 5, 2004, are appropriate for administrative penalty action.

ALLEGED VIOLATIONS

On February 24, 2015, an authorized representative of the EPA conducted a compliance inspection of the Respondent's facility located at 1101 Prairie, Ford, Kansas, to determine compliance with the Risk Management Plan (RMP) regulations promulgated at 40 C.F.R. Part 68 under Section 112(r) of the CAA. The EPA found that the Respondent had violated regulations implementing Section 112(r) of the CAA by failing to comply with the regulations as noted on the enclosed Risk Management Program Inspection Findings (RMP Findings), which is hereby incorporated by reference.

SETTLEMENT

In consideration of Respondent's size of business, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the

entire record, the parties enter into the ESA in order to settle the violations, described in the enclosed RMP Findings, for the total penalty amount of **\$1,200**.

This settlement is subject to the following terms and conditions:

The Respondent by signing below waives any objections that it may have regarding jurisdiction, neither admits nor denies the specific factual allegations contained herein and in the RMP Findings, and consents to the assessment of the penalty as stated above. Respondent waives its rights to a hearing afforded by Section 113(d)(2)(A) of the CAA, 42 U.S.C. § 7413(d)(2)(A), and to appeal this ESA. Each party to this action shall bear its own costs and fees, if any. Respondent also certifies, subject to civil and criminal penalties for making a false submission to the United States Government, that the Respondent has corrected the violations listed in the enclosed RMP Findings, and has sent a cashier's check or certified check (payable to the "United States Treasury") in the amount of **\$1,200** in payment of the full penalty amount to the following address:

The owner or operator failed to ensure the process is designed in compliance with recognized and generally accepted and good engineering practices.

Total Unadjusted Penalty \$1,500

Calculation of Adjusted Penalty

1st Reference the Multipliers for calculating proposed penalties for violations found during RMP inspection matrix. Finding the column for 0-9 employees and the row for >10 times the threshold quantity of 10,000 pounds of anhydrous ammonia as listed in 40 C.F.R. Part 68.130 for the amount in a process gives a multiplier factor of 0.8. Therefore, the multiplier for The Dodge City Cooperative Exchange = 0.8.

2nd Adjusted Penalty = \$1,500 (Unadjusted Penalty) X 0.8 (Size-Threshold Multiplier)
Adjusted Penalty = \$1,200

3rd An Adjusted Penalty of \$1,200 would be assessed to The Dodge City Cooperative Exchange Violations found during the RMP Compliance Inspection. This amount will be found in the Expedited Settlement Agreement (ESA)
