**Re: Administrative Order on Consent, U.S. EPA Docket No. CWA-03-2021-0027DN
Pennsylvania Turnpike Commission, Respondent**

Dear Mr. Carroll:

On June 10, 2021, the United States Environmental Protection Agency Region 3 ("EPA") and Pennsylvania Turnpike Commission ("Respondent") entered into an Administrative Order on Consent, Docket No. CWA-03-2021-0027DN ("the Order"). In accordance with Paragraph 56 (Certification of Compliance and Request for Termination Of Order) of the Order, by letter dated December 13, 2024, Respondent submitted the final annual update and Certification of Compliance and Request for Termination of the Order for the EPA's review.

Based upon the EPA's review of information and certifications submitted by Respondent in accordance with the Order, the EPA is granting Respondent's request for termination of the Order.

Please note that Respondent remains liable for compliance with the Clean Water Act (CWA), including any regulations promulgated or permits issued pursuant thereto. The EPA reserves any and all rights that it may have relating to any potential CWA non-compliance that was not addressed in the Order. To the extent that the Respondent seeks compliance assistance with any requirements relating to the CWA, the Respondent may reach out to the EPA.

Thank you for your cooperation in this matter. If you have any questions, please contact Erin DeSandro of my staff at 215-814-2125 or desandro.erin@epa.gov.

Sincerely,

Andrea Bain
Acting Director
Enforcement and Compliance Assurance Division
