Consent Agreement

- c. If the payment is not received by the specified due date, interest accrues from the date of the Final Order, not the due date, at a rate established by the Secretary of the Treasury pursuant to 31 U.S.C. § 3717, and will continue to accrue until payment in full is received (i.e., on the 1<sup>st</sup> late day, 30 days of interest will have accrued).
  - d. In addition, a handling charge of fifteen dollars (\$15) shall be assessed the 31<sup>st</sup> day from the date of the Final Order, and for each subsequent thirty day period that the debt, or any portion thereof, remains unpaid. In addition, a six percent (6%) per annum penalty shall be assessed on any unpaid principal amount if payment is not received within 30 days of the due date. Payments are first applied to outstanding handling charges, 6% penalty interest, and late interest. The remainder is then applied to the outstanding principal amount.
  - e. The Respondent agrees that the penalty shall never be claimed as a federal or other tax deduction or credit.
6. Nothing in this Consent Agreement shall relieve the Respondent of the duty to comply with the Act and its implementing regulations.
7. Any failure by the Respondent to comply with any of the terms of this Consent Agreement shall constitute a breach of the Consent Agreement and may result in referral of the matter to the Department of Justice for enforcement of this Consent Agreement and for such other relief as may be appropriate.
8. Nothing in this Consent Agreement shall be construed as a waiver by the EPA or any other federal entity of its authority to seek costs or any appropriate penalty associated with any collection action instituted as a result of the Respondent's failure to perform pursuant to the terms of this Consent Agreement.
