Re: Notice of Violation and Compliance Order/Settlement Agreement for FAA Dayton International Airport
ICIS ID# UST3601539229
Docket Number: RUST-05-2024-0009

Dear Mr. Tabor:

On March 1, 2024, the U.S. Environmental Protection Agency issued a Notice of Violation and a Compliance Order/Settlement Agreement (Settlement Agreement) for violations of the Federal underground storage tank (UST) regulations at facility located at FAA Dayton International Airport, 3753 Cargo Road, Vandalia, Ohio. The violations were identified during an EPA UST inspection conducted on May 9, 2023.

On April 24, 2024, EPA received your signed copy of the Settlement Agreement and supporting documentation that the violations have been corrected. Your payment of \$2,445.00 was confirmed by our finance office on April 23, 2024. The Settlement Agreement states that it is effective upon EPA's final approval. I have enclosed a signed and dated copy of the approved Settlement Agreement. The original Settlement Agreement will remain in EPA's file. We also have accepted and processed your payment as part of the settlement process.

If you have any questions, please feel free to contact Kevin Hill at hill.kevin@epa.gov or (312) 886-6087.

Sincerely,

Regional Hearing Clerk
United States Environmental Protection Agency
