

Public Notice: Proposed settlement with DTG Enterprises, Inc. for Clean Water Act violations in Washington

Publish Date: December 15, 2025

Summary

EPA is providing notice of a proposed administrative penalty settlement with DTG Enterprises, Inc., for violations of the Clean Water Act at its facility located in **Renton, Washington**.

EPA alleges that the respondent failed to comply with its National Pollutant Discharge Elimination System and *Washington State Waste Discharge General Permit for Stormwater Discharges Associated with Industrial Activities* at its construction and demolition recyclable materials facility in Renton. The permit covers stormwater discharges into **Springbrook Creek**.

Alleged violations include failure to maintain an adequate Stormwater Pollution Prevention Plan, failure to adequately conduct best management practices and required maintenance, and failure to
