Mr. Jeffrey Birdsall
Vice President and General Manager
Logic Technology Development
Intel Corporation
5200 Northeast Elam Young Parkway
Hillsboro, Oregon 97124

Re: Docket No. CAA-10-2025-0005

Dear Mr. Birdsall:

On July 17-20, 2023, an authorized representative of the U.S. Environmental Protection Agency (EPA) conducted an inspection of your facility located at 2501 Northeast Century Boulevard in Hillsboro and 3585 Southwest 198th Avenue in Aloha, Oregon, to determine compliance with the Clean Air Act (CAA) and regulations promulgated thereunder. Based on the inspection, the EPA determined that you failed to comply with the CAA and associated regulations, as described in the enclosed CAA Stationary Source Inspection Findings, Alleged Violations and Proposed Penalty Form ("Form").

Based upon the information currently available to the EPA, you may resolve the current violation(s) using an expedited process that provides for lower penalties than those sought through the traditional enforcement and settlement process. The EPA is authorized to enter into the enclosed Expedited Settlement Agreement ("Agreement") under the authority vested in the EPA Administrator by Section 113 of the CAA, 42 U.S.C. §7413. After the Agreement becomes effective and provided you fully comply with its terms, EPA will not seek further civil penalties against your company for the violation(s) described in the Agreement. However, the EPA does not waive its ability to take an enforcement action for any other past, present or future violations of the CAA or of any other federal statute or regulation.

To take advantage of the expedited settlement process, you must comply with each of the following condition **within 30 calendar days** of your receipt of this letter:

- Complete, sign and return to EPA the Agreement as described in the enclosed instructions.

If you choose to sign and return the Agreement, the EPA will submit the Agreement for ratification by the designated EPA official. Upon ratification of the Agreement, the EPA will send you a copy of the ratified Agreement and Final Order. You must submit proof of payment to EPA within 30 calendar days of your receipt of the Final Order.

Please note that if you do not sign and return the enclosed Agreement within 30 calendar days of your receipt of this letter, the settlement offer is withdrawn with no additional notice to you and without prejudice to the EPA's ability to file an enforcement action for the violation(s) identified in the Agreement and Form and seek penalties of up to \$121,275 per day for each violation of the CAA, 42 U.S.C. §7413(b).

Please contact Trey Peterson, of my staff, at (206) 553-2575 or peterston.trey@epa.gov with any questions.

Sincerely,

Edward J. Kowalski
Director
Enforcement and Compliance Assurance Division
