Subject: Expedited Settlement Opportunity - ACT Lab - RCRA-02-2026-7201

Good afternoon, Ms. Krisolofsky,

I hope this message finds you well. Following the Environmental Protection Agency's compliance evaluation inspection of ACT Lab in Halfmoon, NY, conducted on or about March 2, 2026, it was determined that ACT Laboratories of New York, LLC. did not fully comply with the Resource Conservation and Recovery Act (RCRA) Subtitle C hazardous waste regulations.

To address this matter, I have attached a Notice Letter along with an Expedited Settlement Agreement (Enclosure 1) and Instructions for Making the Penalty Payment (Enclosure 2). These documents contain important details regarding the findings and the necessary next steps. Please review the attached Letter and Enclosures at your earliest convenience.

If you have any questions or need further clarification, please feel free to reach out. I am here to assist with any concerns you might have.

Regards,

Carlos J. Colombani
