Re: Administrative Settlement (EPA Docket No. CERCLA-03-2026-0081-CR) – Notice of Effective Date

Mr. Beers,

This letter provides formal written notice to Isolite Coporation that the Administrative Settlement Agreement and Order on Consent (Settlement Agreement) with the EPA will be effective as of the date of this letter. In accordance with Section 122(i) of CERCLA, the EPA published a notice about the proposed Settlement Agreement in the Federal Register informing the public that they could submit comments to the EPA on the Settlement Agreement until May 11, 2026. The public-comment period has ended. The EPA received no comments from the public. The EPA has, therefore, determined that there is no basis to withhold its consent or to modify the Settlement Agreement.

Sincerely,

Jefferie E. Garcia
