COMPLAINT, COMPLIANCE ORDER,
AND NOTICE OF OPPORTUNITY FOR HEARING

I. PRELIMINARY STATEMENT

1. This Complaint, Compliance Order, and Notice of Opportunity for a Hearing (“Complaint”) is issued to initiate an administrative action against Texas Barge and Boat, Inc., Freeport, Texas (“Respondent”) as authorized by Section 3008(a) of the Resource Conservation and Recovery Act (the “Act” or “RCRA”), 42 U.S.C. § 6928(a) and the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, and the Revocation/Termination or Suspension of Permits, 40 C.F.R. Part 22. The Complainant is the Director, Compliance Assurance and Enforcement Division of the United States Environmental Protection Agency (“EPA”), Region 6, who has been delegated the authority to issue such complaints in EPA Region 6.

2. Respondent is hereby notified of EPA’s determination that Respondent has violated regulations promulgated under RCRA Subtitle C (Sections 3001 – 3023 of RCRA, 42 U.S.C. §§ 6921 – 6939e) and regulations promulgated under the Texas Solid Waste Disposal Act,

Tex. Health & Safety Code Ann. (Vernon, 2001), as amended, including Texas Commission on Environmental Quality (“TCEQ”) regulations codified as 30 Texas Admin. Code Part 335 (Hazardous Waste Management).

3. Through this action under Section 3008(a) of RCRA, 42 U.S.C. § 6928(a), Complainant seeks an order assessing a civil administrative penalty and requiring Respondent to comply with applicable statutory and regulatory requirements.

4. Notice of this action was given to the State of Texas prior to the issuance of this Complaint, as required by Section 3008(a)(2) of RCRA, 42 U.S.C. § 6928(a)(2).

II. RCRA STATUTORY AND REGULATORY BACKGROUND

5. RCRA was enacted on October 21, 1976, and amended thereafter by, among other acts, the Hazardous and Solid Waste Amendments of 1984 (the “HSWA”). RCRA established a comprehensive program to be administered by the Administrator of the EPA regulating the generation, treatment, storage and disposal of hazardous waste. RCRA hazardous waste regulations promulgated by the Administrator are codified as 40 C.F.R. Parts 260-272.

6. Pursuant to Section 3006(b) of RCRA, 42 U.S.C. § 6926(b), EPA may authorize a state to administer a RCRA hazardous waste program in lieu of the federal program when he or she determines that the state program is substantially equivalent to the federal program.

7. The State of Texas received final authorization to implement its hazardous waste management program effective December 26, 1984, with multiple program revisions approved by EPA since that time, as provided by 40 C.F.R. § 272.2201.

8. The State of Texas's hazardous waste management program is administered by the TCEQ through regulations published as Chapter 335 of Title 30 of the Texas Administrative Code ("Chapter 335").

9. Pursuant to Sections 3008(a) and 3006(g) of RCRA, 42 U.S.C. §§ 6928(a) and 6926(g), EPA may enforce the federally-approved Texas hazardous waste management program, as well as the federal regulations promulgated under the HSWA, by issuing compliance orders assessing a civil penalty for any past or current violation and/or requiring compliance immediately or within a specified time for violations of any requirement of Subtitle C of RCRA (Sections 3001-3023 of RCRA), 42 U.S.C. §§ 6921-6939e. As adjusted by the Civil Penalty Inflation Adjustment Rule of December 11, 2008 (73 Fed. Reg. 75340, 75346), 40 C.F.R. § 19.4, EPA may assess a civil penalty of up to \$32,500 per day of violation for a violation occurring between March 15, 2004 and January 12, 2009 and \$37,500 per day of violation for a violation occurring after January 12, 2009.

10. Section 3006 of RCRA, 42 U.S.C. § 6926, as amended, provides that authorized state hazardous waste management programs are carried out under Subtitle C of RCRA. TCEQ administers Texas's authorized hazardous waste management program through Chapter 335. Therefore, a violation of any requirements of Chapter 335 is a violation of Subtitle C of RCRA.

26. Respondent sent the hazardous waste identified in paragraph 18 above to USOR.

27. USOR is authorized under Waste Permit No. 52123 to manage flammable (D001), corrosive wastes (D002), wastes exhibiting the hazardous characteristic of benzene toxicity (D018), cresol toxicity (D023 – D026), dinitrotoluene toxicity (D030), methyl ethyl ketone toxicity (D034), and nitrobenzene toxicity (D036).

28. USOR is not authorized to receive, manage, store, treat, or dispose waste exhibiting the hazardous characteristic of reactivity (D003) sent by Respondent.

29. Therefore, Respondent violated 30 TAC § 335.2(b) [40 CFR 262.12(c)], by failing to send hazardous waste to an authorized facility.

44. As provided in 40 C.F.R. § 22.17, if Respondent fails to file a written Answer within 30 days of service of this Complaint, Respondent may be deemed to have admitted all allegations made in this Complaint and waived its right to a hearing. A Default Order may thereafter be issued, and the civil penalty assessed shall become due and payable without further proceedings 30 days after a Default Order becomes final.

45. As provided in 40 C.F.R. § 22.37(b), if Respondent fails to request a hearing pursuant to 40 C.F.R. § 22.15 within 30 days of service of this Complaint, the Compliance Order contained herein shall automatically become a Final Order.

48. Please note that a request for an informal settlement conference does not extend the 30-day period during which Respondent must submit a written Answer and, if desired, a request for a hearing. The informal conference procedure may be pursued as an alternative to, and simultaneously with, the adjudicatory hearing procedure.

49. The EPA encourages all parties against whom a civil penalty is proposed to pursue the possibilities of settlement as a result of an informal conference. Respondent is advised that no penalty reduction will be made simply because such a conference is held. As set forth in 40 C.F.R. § 22.18, any settlement which may be reached as a result of such a conference shall be embodied in a written Consent Agreement signed by the parties and their representatives and a Final Order issued by the Regional Administrator, EPA Region 6. The issuance of such Consent Agreement and Final Order shall constitute a waiver of Respondent's right to request a hearing on any matter stipulated to therein.
