On August 12, 2015, an inspection by the United States Environmental Protection Agency (“EPA”) was conducted at the Respondent’s facility known as Canon Virginia Oakland at 120 Enterprise Drive in Newport News, Virginia to determine compliance with the Emergency Planning and Community Right-to-Know Act (“EPCRA”) regulations promulgated at 40 C.F.R. Part 370 under Section 312 of EPCRA, 42 U.S.C. § 11022, (the “Act”). The EPA representative found that Respondent had violated the regulations by failing to comply with the specific regulatory requirements noted on the attached EPCRA Inspection Findings, Alleged Violations and Proposed Penalty Form (the “Form”), which is hereby incorporated by reference.

The parties enter into this Expedited Penalty Action and Consent Agreement (“Consent Agreement”) to settle the civil violations set forth above for a penalty of **\$5,000.00** which was calculated in accordance with the February 10, 2016 “Changes to the Final Policy for Expedited Settlements Addressing Violations of Section 312 of the Emergency Planning and Community Right-to-Know Act”. This Consent Agreement commences and concludes this action pursuant to Sections 22.13(b), and 22.18(b)(2), and (3) of the Consolidated Rules of Practice Governing the Administrative Assessment of Penalties and the Revocation/Termination or Suspension of Permits (“Consolidated Rules of Practice”), 40 C.F.R. §§ 22.13(b), and 22.18(b)(2), and (3). This Expedited Penalty Action and Consent Agreement is being entered into by the EPA Region III, by its duly delegated official, the Director, Hazardous Site Cleanup Division, and by Respondent pursuant to Section 325 of the Emergency Planning and Community Right-to-Know Act, 42 U.S.C. §11045, and by 40 C.F.R. § 22.13(b).

The settlement is subject to the following terms and conditions:

EPA hereby finds the Respondent is subject to the Emergency Planning and Community Right-to-Know Act regulations and has violated the regulations as further described in the Form.

The Respondent consents to the assessment of the penalty stated above. Respondent certifies, subject to civil and criminal penalties for making a false statement to the United States Government, that the violations set forth in the EPCRA Inspection Findings, Alleged Violations and Proposed Penalty Form have been corrected. The Respondent agrees that it shall, within 15 calendar days of receipt of an executed copy of this Consent Agreement, make payment of **\$5,000.00** in one of two forms: 1) electronic funds transfer (“EFT”) or 2) a cashier’s check or certified check payable to the “Environmental Protection Agency”, with the Docket Number, located at the top right-hand corner of the Consent Agreement referenced on the check.
