ORDER GRANTING MOTION FOR EXTENSION

OF TIME TO FILE ANSWER

By motion filed December 22, 2011, The United States Environmental Protection Agency (Complainant) seeks an extension of time, up to and including February 29, 2012 for Respondent to file an answer to the Complaint.

Consolidated Rules of Practice, 40 C.F.R. § 22.07(b), provides that a motion for extension of time may be granted "for good cause shown, and after consideration of prejudice to other parties."

On the basis of the motion, it appears that good cause exists for the extension of time, and there will be no prejudice to either party from granting the requested extension. Therefore, Complainant's motion is granted.

IT IS THEREFORE ORDERED THAT:

The time for Respondent to answer the Complaint and request a hearing is extended to and including February 29, 2012.

Dated: December 23, 2011
