ORDER GRANTING MOTION

TO WITHDRAW COMPLAINT WITHOUT PREJUDICE

Complainant's Motion to withdraw its complaint without prejudice is granted. Complainant's Motion stated that it has been unable to locate Respondent, and accordingly would like to withdraw its complaint, but without prejudice so that it could pursue the matter in the future if it learns of a responsible party. Respondent has filed no objection to Complainant's Motion. In this situation, adequate justification exists for granting Complainant's Motion.
