**I. STATUTORY AND REGULATORY AUTHORITY**

1. This Consent Agreement and Final Order (“CAFO”) is entered into by the Director of the Water Protection Division, United States Environmental Protection Agency, Region III (“Complainant”) and Ft. Lincoln Retail, LLC a/k/a Fort Lincoln Retail, LLC (“Respondent”) pursuant to Section 309(g) of the Clean Water Act (“CWA”), 33 U.S.C. § 1319(g), and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits* (“Consolidated Rules”), 40 C.F.R. Part 22.
2. The parties have agreed to settlement of the alleged violations of the CWA by Respondent in the above-captioned matter. This CAFO concludes this action pursuant to 40 C.F.R. §§ 22.18 and 22.31.

**II. FINDINGS OF FACT AND JURISDICTIONAL ALLEGATIONS**

3. Complainant initiated this proceeding for assessment of a Class II Administrative Penalty pursuant to Section 309(g)(2)(B) of the CWA, 33 U.S.C. § 1319(g)(2)(B), by issuing an Administrative Penalty Complaint and Notice of Opportunity to Request Hearing (“Complaint”) to Respondent on April 29, 2015.
4. This CAFO incorporates by reference the findings of fact and jurisdictional allegations contained in Paragraphs 1 through 91 of the Complaint, and adopts them as Complainant’s findings of fact and jurisdictional allegations herein.

### **III. CONCLUSIONS OF LAW**

5. This CAFO incorporates by reference the conclusions of law contained in Paragraphs 1 through 91 of the Complaint and adopts them as Complainant's conclusions of law herein.
6. Complainant concludes that Respondent has violated Section 301 of the CWA, 33 U.S.C. § 1311, and is liable to the United States for a civil penalty in accordance with Section 309(g) of the CWA, 33 U.S.C. § 1319(g).

### **IV. GENERAL PROVISIONS**

7. For the purpose of this proceeding:
  - a. Respondent admits to the jurisdictional allegations of the Complaint and this CAFO;
  - b. Respondent neither admits nor denies the specific factual allegations and conclusions of law set forth in the Complaint and this CAFO;
  - c. Respondent agrees to undertake all actions required by this CAFO;
  - d. Respondent hereby expressly waives its right to a hearing on any issue of law or fact in this matter pursuant to Section 309(g) of the CWA, 33 U.S.C. § 1319(g), and consents to issuance of this CAFO without adjudication;
  - e. Respondent waives its right to appeal this CAFO under Section 309(g)(8)(B) of the CWA, 33 U.S.C. § 1319(g)(8)(B).
8. Respondent agrees not to contest Complainant's jurisdiction to issue and enforce the terms of this CAFO.
9. Each party to this agreement shall pay its own costs and attorney's fees.
10. This CAFO does not relieve Respondent of its obligations to comply with all applicable provisions of federal, state, and local law. This CAFO shall not be interpreted to be a permit or modification of any existing permit issued pursuant to Section 402 of the CWA, 33 U.S.C. § 1342, or any other law. Nor does this CAFO constitute a waiver, suspension, or modification of the requirements of the CWA, 33 U.S.C. §§ 1251 *et seq.*, or any regulations promulgated thereunder.
11. This CAFO resolves only the civil claims against Respondent for the specific violations alleged in the Complaint. Complainant reserves the right to commence an action against any person, including Respondent, in response to any condition that Complainant determines may present an imminent and substantial endangerment to the public health, public welfare, or the environment. In addition, this settlement is subject to all limitations

on the scope of resolution and to the reservation of rights set forth in Section 22.18(c) of the Consolidated Rules of Practice, 40 C.F.R. § 22.18(c).

12. Further, Complainant reserves any and all rights and remedies available to it under the CWA, 33 U.S.C. §§ 1251 *et seq.*, the regulations promulgated thereunder, and any other federal laws or regulations for which Complainant has jurisdiction, to enforce the provisions of this CAFO, following its effective date.
13. Complainant reserves the right to institute a new and/or separate action should Respondent fail to comply with the terms of this CAFO. That right shall be in addition to all other rights and causes of action, civil or criminal, Complainant may have under law or equity in such event.
14. Entry of this CAFO is a final settlement of all violations alleged in the Complaint. Complainant shall have the right to institute a new and separate action to recover additional civil penalties for the claims made in the Complaint if Complainant obtains evidence that the information and/or representations of the Respondent are false or, in any material respect, inaccurate. This right shall be in addition to all other rights and causes of action, civil or criminal, that Complainant may have under law or equity in such event.
15. This CAFO may be executed in any number of counterpart originals, each of which shall be deemed to constitute an original agreement, and all of which together shall constitute one agreement. The execution of one counterpart by any party shall have the same force and effect as if that party had signed all other counterparts.
16. All of the terms and conditions of this CAFO together comprise one agreement, and each of the terms and conditions is in consideration of all of the other terms and conditions. In the event that this CAFO or one or more of its terms and conditions is held invalid, is not executed by all of the signatories in identical form, or is not approved in such identical form by the Regional Administrator or his designee, then the entire CAFO shall be null and void.
17. The provisions of this CAFO shall be binding upon the Respondent, its officers, principals, directors, successors, and assigns.
18. The undersigned representative of Respondent certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this CAFO and to execute and legally bind that party to it.
19. The parties agree that settlement of this matter is in the public interest and that entry of this CAFO is the most appropriate means of resolving this matter.

25. The following notice concerns interest and late penalty charges that will accrue in the event that any portion of the civil penalty is not paid as directed:

- a. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, EPA is entitled to assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim, as more fully described below. Accordingly, Respondent's failure to make timely payment as required herein or to comply with the conditions in this CAFO shall

result in the assessment of late payment charges including interest, penalties, and/or administrative costs of handling delinquent debts.

- b. Interest on the civil penalty assessed in this CAFO will begin to accrue on the date that a copy of this CAFO is mailed or hand-delivered to Respondent. However, Complainant will not seek to recover interest on any amount of the civil penalty that is paid within thirty (30) calendar days after the date on which it is due. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a).
- c. The costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. 40 C.F.R. § 13.11(b). Pursuant to Appendix 2 of EPA's *Resources Management Directives - Cash Management*, Chapter 9, EPA will assess a \$15.00 administrative handling charge for administrative costs on unpaid penalties for the first thirty (30) day period after the payment is due and an additional \$15.00 for each such subsequent thirty (30) days the penalty remains unpaid.
- d. A penalty charge, not to exceed six percent per year, will be assessed monthly on any portion of the civil penalty that remains delinquent more than ninety (90) calendar days. 40 C.F.R. § 13.11(c). Should assessment of the penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. 31 C.F.R. § 901.9(d).
