ORDER GRANTING MOTION FOR EXTENSION OF ALTERNATIVE DISPUTE RESOLUTION PERIOD

By a Joint Motion, dated December 21, 2009, the parties have moved for a 60-day extension of the Alternative Dispute Resolution ("ADR") period in this proceeding which expires on December 28, 2009. The motion represents that the parties have made progress toward resolving this case and have engaged in vigorous discussions and a full and frank exchange of information that could lead to a settlement. Furthermore, Respondent intends to pursue an ability to pay claim, which EPA needs to fully evaluate, thus, requiring the extension of time. For good cause shown, the motion is GRANTED and the ADR period is extended to and including February 26, 2010.

So Ordered.

Dated this 23rd day of December 2009.
