REPORT RECOMMENDING CONTINUATION
OF ALTERNATIVE DISPUTE RESOLUTION PROCESS

The Report approved December 16, 2009 provides that this alternative dispute resolution (ADR) process terminates February 15, 2010. The recommendation of this Report is that the ADR process be continued for a *final* month, to March 15, 2010.

This continuation of the ADR process is recommended because the parties' negotiations have developed the possibility of a settlement, but additional time is needed if a settlement is to be actually concluded. In a conference call on February 4, 2010 the parties agreed that the ADR process should be continued.

Accordingly, the undersigned will continue to work as a Neutral in this case and will file another report with the Chief Administrative Law Judge by March 15, 2010 unless otherwise directed by her.
