**ORDER GRANTING MOTION FOR VOLUNTARY DISMISSAL**

This matter was initiated when Anthony J. Miller, Acting Director of the Monitoring, Assistance, and Media Programs Division, Office of Enforcement and Compliance Assurance, U.S. Environmental Protection Agency (“Complainant” or “the Agency”), issued to England’s Stove Works, Inc. (“Respondent” or “ESW”), a Notice of Proposed Determination to Revoke Certificate of Compliance Number 193-19 for the 15-SSW01, 50-SHSSW01, 50-TRSSW01, 15-W03, 50-SHW03, and 50-TRW03 Wood Heater Models and ESW proceeded to object and request a hearing on the proposed determination under 40 C.F.R. § 60.539(a)(2). Pursuant to a Prehearing Order that I issued on December 2, 2021, the parties engaged in a prehearing exchange of information that concluded on January 28, 2022. Thereafter, I scheduled a hearing to be held beginning on April 18, 2022, and the Agency filed a Motion for Accelerated Decision on February 28, 2022. ESW then filed a Motion for Voluntary Dismissal on March 10, 2022.

In its Motion for Voluntary Dismissal, ESW asserts that it no longer wishes to exercise its right to a hearing under 40 C.F.R. § 60.539(a)(2) and that it moves for voluntary dismissal of this proceeding in lieu of responding to the Agency’s Motion for Accelerated Decision. ESW represents that the Agency does not oppose this request.

Based on the foregoing, the Motion for Voluntary Dismissal is hereby **GRANTED**. This matter will now be closed and removed from the docket of this Tribunal.

**SO ORDERED.**
