INFORMATION REQUEST RESPONSE FORM

1. Identify the person or persons who applied sludge-related materials from the Lame Deer Lagoon to your land or land that you lease from the tribe, located in or near Lame Deer, Montana on or about August 22, 2018.

Nathan Pierce

2. Did you help apply (for example: spread, till, and/or inject) the sludge-related material transported to your land or land that you lease from the tribe on or about August 22, 2018, from the Lame Deer Lagoon?

Please circle the appropriate response:

NO

YES

If yes, please describe your role:

after DAR disposal dumped it I used my Tractor Disk and
tillage it in.

3. Provide the number of acres sludge-related material was applied to your land or land that you lease from the tribe on or about August 22, 2018:

25 acres

4. Were you given any information about the agronomic rate of land application (i.e. the amount of sludge per acre) or the pollutants contained in the sludge that was land applied on or about August 22, 2018?

Please circle the appropriate response:

NO

YES

If yes, please give the agronomic rate of land application or provide the documents you received:

STATEMENT OF CERTIFICATION: PLEASE SIGN

I certify under penalty of law that this statement is, to the best of my knowledge and belief, true, accurate and complete. I am aware that there are significant penalties for submitting false information or statements, including the possibility of fine or imprisonment for knowing violations.
