Subject: Notice of Intent to Suspend DCPA Pesticide Product (EPA Registration Number 5481-495)

Mr. Jon Wood:

This email and attached files constitute the electronic transmission of a Notice of Intent to Suspend (NOITS) to you. Please immediately open, read and review the attached files. The attached letter gives you notice that the DCPA pesticide product (registration #5481-495) will be suspended 30 days from the publication of the NOITS in the Federal Register (April 28, 2022) unless you take steps within that time to prevent this Notice from automatically becoming a final and effective order of suspension.

Please respond to this e-mail transmission by e-mail to EPA as follows:

“I, *[insert your name and title]*, have received from U.S. EPA’s Office of Pesticide Programs the pesticide NOITS on *[insert date]* for *[insert registrant name as shown on the attached NOITS Forms]*. Additionally, I have successfully opened the file attachment(s) that accompanied the transmittal email.”

Send your acknowledgement e-mail to me, James Douglass, at douglass.james@epa.gov as soon as possible.

The attached file contains the NOITS transmittal letter and attachments concerning DCPA. Specific instructions for submitting data and requesting a hearing are set forth in the NOITS and its attachments.

A copy of the NOITS and supporting documents will be placed in the Registration Review docket for DCPA at www.regulations.gov/docket/EPA-HQ-OPP-2011-0374 on or about April 28, 2022.

If you have any questions about the NOITS, please contact me by e-mail.

Sincerely,

James Douglass
