ORDER SEEKING CLARIFICATION AND DIRECTING SETTLEMENT CONFERENCE

As you previously have been notified, I have been designated by the January 22, 2009 Order of the Chief Administrative Law Judge to preside in the above captioned matter.<sup>1/</sup> This proceeding arises under the authority of Section 309(g) of the Federal Water Pollution Control Act, commonly referred to as the Clean Water Act ("CWA"), as amended, 33 U.S.C. § 1319(g). The proceeding is governed by the Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits (the "Rules of Practice"), 40 C.F.R. §§ 22.1-32. The parties are advised to familiarize themselves with both the applicable statute(s) and the Rules of Practice.

United States Environmental Protection Agency ("EPA") policy, found in the Rules of Practice at Section 22.18(b), 40 C.F.R. § 22.18(b), encourages settlement of a proceeding without the necessity of a formal hearing. The benefits of a negotiated settlement may far outweigh the uncertainty, time, and expense associated with a litigated proceeding.

---

<sup>1/</sup> In response to an inquiry from this office, Complainant did not agree to participate in the Alternate Dispute Resolution ("ADR") process offered by this office. Respondent declined to participate in ADR by failing to respond to the ADR inquiry letter.

There is no indication in the file that settlement discussions have been held in this matter. The parties are directed to hold a settlement conference on this matter on or before **February 23, 2009**, to attempt to reach an amicable resolution of this matter. See Section 22.4(c)(8) of the Rules of Practice, 40 C.F.R. § 22.4(c)(8). Complainant shall file a status report regarding such conference and the status of settlement on or before **March 2, 2009**.

Respondent, in its *pro se* letter Answer, did not request a hearing. Nonetheless, Respondent questioned Complainant's authority over this matter and denied the allegations. Specifically, Respondent raises the question of whether the area in question is a jurisdictional wetland under the CWA.

As noted above, the above captioned matter is governed by the Rules of Practice, 40 C.F.R. §§ 22.1-22.32. Section 22.15(b) of the Rules of Practice provides, in pertinent part, that the answer to a complaint shall state whether a hearing is requested. However, subsection (c) of Section 22.15 further provides that if the respondent does not request a hearing, a hearing may be held by the Administrative Law Judge if issues appropriate for adjudication are raised in the answer. See *In re Green Thumb Nursery, Inc.*, FIFRA Appeal No. 95-4a, 6 E.A.D. 782, 786-94 (EAB, Mar. 6, 1997).

In view of Respondent's failure to request a hearing, Respondent is directed to clarify its position as to whether a hearing before an Administrative Law Judge is requested. Such clarification statement by Respondent shall be filed on or before **February 17, 2009**.

The original and one copy of all pleadings, statements, and documents (with any attachments) required or permitted to be filed by this Order (including a ratified Consent Agreement and Final Order) shall be filed with the Regional Hearing Clerk, and copies (with any attachments) shall be sent to the undersigned and all other parties. The parties are advised that E-mail correspondence with the Administrative Law Judge is not authorized. See Section 22.5(a) of the Rules of Practice, 40 C.F.R. § 22.5(a).

The statements and information required by this Order to be sent to the undersigned Administrative Law Judge, as well as any other further pleadings, if sent by mail, shall be addressed as follows:
