

**UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
BEFORE THE ADMINISTRATOR**

In the matter of:

Dimmid, Inc.,

Respondent.

Proceeding Under Section 16(a) of the Toxic
Substances Control Act, as amended, 15
U.S.C. § 2615(a).

Docket No. TSCA-02-2023-9226

STATUS REPORT

This Status Report is being provided pursuant to the directive contained in the November 11, 2023 “Order on Complainant’s Motion to Extend Prehearing Exchange Deadlines” requiring Complainant to file a status report on or before December 29, 2023.

In keeping with its stated commitment to do so, Respondent recently provided its tax return for its most recent fiscal year (ending November 2023). Based upon the analysis of its outside financial analyst, EPA tendered an offer for settlement, and Respondent has agreed to settle for the amount EPA offered. In their e-mail exchange, the parties discussed the generalized terms of settlement. The undersigned anticipates shortly to begin drafting the consent agreement, which, as Respondent has been informed, will then be submitted to its representative for his review and comments.
