**THIRD STATUS REPORT AND JOINT MOTION TO EXTEND TIME
FOR FILING CONSENT AGREEMENT AND FINAL ORDER
AND PREHEARING EXCHANGES**

Since the filing of the Second Status Report in the above-captioned matter on November 12, 2025, the parties continued settlement discussions and hereby inform the Tribunal that Complainant has just received the signed settlement agreement from Respondent.

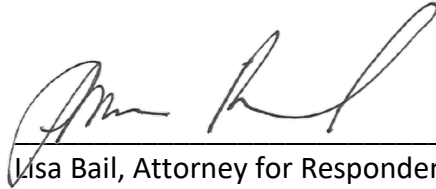

The November 13, 2025 Order established a deadline of January 13, 2026 for filing a fully-executed Consent Agreement and Final Order (“CAFO”) with the Regional Hearing Clerk as well as deadlines of January 13, 2026; February 3, 2026; and February 17, 2026 for filing the prehearing exchanges in the event that the parties were not able to reach a settlement.

The parties hereby file a joint motion requesting the Tribunal to extend the above deadlines by 30 days so that Complainant can file a final settlement agreement in a timely fashion.

EPA headquarters and Region 9 personnel will need sufficient time to finalize the settlement, and an extension of time to file the CAFO, as well as the alternative deadlines for filing the prehearing exchanges, will facilitate the settlement process.

Respectfully submitted,

David H. Kim, Attorney for Complainant

Lisa Bail, Attorney for Respondent
