Los Angeles, CA 90012

SUBJECT: Title V Facility Permit Revision (Facility ID: 124904)

Dear Mr. Lego:

Please find attached the revised Title Page, Table of Contents, and Section D of your Title V Facility Permit. The revised sections reflect the approval of the permit revision requested in your Application No. 471431. The proposed permit revision was submitted to EPA for 45-day review on February 7, 2008. This permit revision includes the modification of three internal combustion engines and the removal of two selective catalytic reduction units as described in Attachment 1.

Please review the attached sections carefully. Insert the attached sections into your Facility Permit and discard the earlier versions. Questions concerning changes to your permit should be directed to Mr. Bijan Ataian at (909) 396-2454.

Sincerely,

A handwritten signature in black ink, appearing to read 'Fred Lettice', is positioned above the typed name.

Fred Lettice
