Mr. Gerardo Rios
Chief – Permits Office
U. S. EPA, Region IX
75 Hawthorne Street, Air 3
San Francisco, CA 94105

Dear Mr. Rios:

Disneyland Resort (I.D. 800189) has proposed to revise their Title V permit by adding three new pressure washers, three unconfined open abrasive blasting systems, and an existing storage silo. This is a resort and an amusement park (SIC 7996) located at 1313 South Harbor Boulevard, Anaheim, CA 92802. This proposed permit revision as requested under application number 533921 is considered as a “de minimis significant permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on August 10th.

If you have any questions or need additional information regarding the proposed permit revision, please call Hamed Mandilawi at (909) 396-3275.

Very truly yours,
