SUBJECT: Revised Final Title V Facility Permit for Tesoro Refining & Marketing Company, Wilmington Refinery (Facility ID #151798)

Dear Ms. Mueller:

Please find attached the revision of your Title V Facility Permit for Tesoro Refinery located at 23208 S. Alameda St., Wilmington. The attached revision includes the following sections:

- Title page (Revision # 7)
- Table of contents (Revision # 7)
- Section D (Revision # 4)

The Facility Permit reflects the inclusion of the administrative changes shown below. These changes have been incorporated since the last issuance of your Title V Facility Permit in accordance with the requirements listed in the Rule 1470 Compliance Plan approval letter issued by the SCAQMD on 6-24-11. The following changes, made to impose more frequent monitoring, record keeping/reporting requirements and provide clarification to permit conditions, are categorized as administrative pursuant to Rule 3005.

Section D (Permit to Operate) – Administrative Change

- Condition C1.2 (Sec. D): Added child condition to clarify that the annual operating time limit of 199 hours includes no more than 20 hr/yr (1.7 hr/mo) for maintenance and testing. Tagged Rule 1470.
- Condition C1.3 (Sec. D): Deleted this condition from the permit. The '20 hr/month' operating limit for maintenance and testing was inadvertently added during initial TV cleanup. The correct limit (20 hr/yr) has been added as a child condition in condition C1.2 for the affected device D134.
- Condition K67.1 (Sec. D): Deleted this condition from the permit which has been replaced by new condition K67.6.
- Condition K67.6 (Sec. D): Added this new condition to expand record keeping requirements pursuant to District's Emergency ICE Policy Memo EC-02-09. Tagged Rules 1304(c), 1470, 2012. Tagged device D134 to this condition.

Please review the attached sections carefully. Insert the enclosed sections into your Title V Facility Permit and discard the earlier version. Questions concerning changes to your permit should be directed to Mr. Thomas Lee at (909) 396-3138 or tlee1@aqmd.gov.
