Long Beach, CA 90802

Equipment Location 100 – 120 Henry Ford Avenue
Long Beach, CA 90802-1039

FACILITY ID 044577
APPLICATION 556342- Title V Minor Permit Revision
Background

Long Beach City, Southeast Resource Recovery Facility (SERRF) A/N 556342 was submitted for Title V permit revision (04). Application 556341 was submitted to include an optional portable trommel screen in the equipment description of the permit. The equipment is located at Long Beach City, Southeast Resource Recovery Facility (SERRF) in Long Beach. For additional information please refer to the attached evaluation prepared for the EPA review.

Note: Title V Revision 03 was issued October 19, 2012.

Rules Evaluation

Reg. XXX:
Including an optional portable trommel in the permit equipment description is considered a Title V Minor permit revision under Rule 3000(b)(15), since there is no emission increase and the modification of the equipment does not result in new or additional NSPS or NESHAP requirements and will be subject to an EPA review (Rule 3003 (j)). A public notice is not required. Compliance is expected.

Conclusions and Recommendations

A Permit to Operate is recommended for application 556341. A revised Title V permit is recommended after the completion of EPA review.
