Re: Proposed De Minimis Significant Permit Revision to Title V Permit for OC Waste & Recycling, FRB, (Facility ID# 69646)

Dear Mr. Rios:

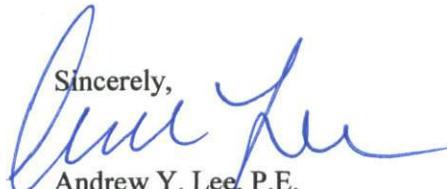

Enclosed for your 45-day review is the proposed revision to the Title V Permit for OC Waste & Recycling, Frank R. Bowerman (FRB) Landfill (ID # 69646), located at 11002 Bee Canyon Access Road, Irvine, CA, in Orange County. This revision is considered a de minimis significant permit revision and public notice is not required. We are enclosing the appropriate pages of proposed section D which includes the following permit to construct and operate and the engineering evaluation.

SECTION D: Facility Equipment and Requirements

Appl. No.	Equipment	Description
547634	Landfill Condensate/Leachate Collection System	Modifications to the existing landfill condensate/leachate/ groundwater collection and storage system, F96618, by addition of a condensate tank, with a passive GAC adsorber.

This Title V Revision is considered under A/N 547635.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Gaurang Rawal at (909) 396-2543 or by email at grawal@aqmd.gov.
