Mr. Michael B. Giancola
Director, OC Waste & Recycling
300 N. Flower Street, Suite 400
Santa Ana, CA 92703-5000

Subject: Minor Revision to Title V Facility Permit, Revision No. 2.
OC Waste & Recycling, Santiago (Facility ID 52743)

Dear Mr. Giancola,

Enclosed please find the minor Revision (Section D, Revision # 02) to the Title V facility permit, for the OC Waste & Recycling, Santiago Canyon Landfill (Facility ID 52743), located at 3099 Santiago Canyon Road, Orange, California. On July 6, 2010, the South Coast Air Quality Management District (AQMD) issued draft permit for Environmental Protection Agency's (EPA) review, and no comments were received from EPA. No public notice was required.

The minor permit revision includes Title Page, Table of Contents, and Section D.

SECTION D: PERMITS TO CONSTRUCT AND PERMITS TO OPERATE

Appl. No.	Equipment	Description
494357	Enclosed Flaring System, LFG	Change of permit condition allowing more SOx emissions from each flare and limiting operation to two of the three flares.

In addition to the above section, we are also enclosing a revised copy of the rest of your Title V permit which reflects an administrative revision for change of the facility name from OC-IMWD to OC Waste & Recycling, Santiago.

Please review the attached pages carefully. Insert the enclosed section(s) in your Title V Facility Permit and discard the earlier versions. Questions concerning this revised permit should be directed to Mr. Gaurang Rawal at (909) 396-2543.

The operation of your facilities is bound by the conditions and/or requirements stated in your Facility Permit to Operate. If you determine any administrative errors, please contact Mr. Gaurang Rawal at the above number within 30 days of receipt of your permit.

Sincerely,

Jay Chen, P.E.
