NOTICE OF PROPOSED TITLE V RENEWAL PERMITS

The South Coast Air Quality Management District (AQMD) is proposing to renew the existing Title V permits that were previously issued to the following facilities:

Deluxe Laboratories, Inc.

1377 North Serrano Avenue
Hollywood, CA 90027
Facility ID# 9668

Contact Person:

Rick Brown
Vice President – EH&S
1377 North Serrano Avenue
Hollywood, CA 90027

This is an existing Title V facility applying for a Title V permit renewal that is engaged in the business of motion picture film processing and production. The facility operates film cleaning machines, film printing machines, mixing tanks, an emergency internal combustion engine, and other supporting equipment. Perchloroethylene emissions from the printing machines and some of the cleaning machines are vented to an air pollution control equipment carbon adsorber.

Ted Levine Drum Co.

1729-1927 Chico Avenue
South El Monte, CA 91733
Facility ID# 71797

Contact Person:

Ozzie Levine
President
1817 Chico Avenue
South El Monte, CA 91733

This is an existing facility applying for a Title V Permit renewal that is engaged in the business of drum reconditioning. The facility operates boilers, a drum reconditioning line and associated air pollution control scrubber, a flush drum cleaning system and associated air pollution control scrubber, a coating line consisting of a spray booth and drying tunnel, a soil vapor extraction and treatment system, and other supporting equipment. Volatile organic compound emissions from the coating line and drum/pail washers are vented to

an air pollution control equipment thermal oxidizer.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance unless such permit has been renewed. Accordingly, each of the above facilities has submitted a Title V renewal application and requested the AQMD to renew their Title V permit. Each of the proposed permits incorporates updates to the facility information provided in the facility's Title V renewal application and all rules and regulations that are currently applicable to the facility.

The proposed permits are available for public review at the AQMD, 21865 Copley Dr., Diamond Bar, CA 91765 and at the Los Angeles Public Library, Science, Technology, and Patents Department, 630 West 5th Street, Los Angeles, CA 90071. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. For more information or to review additional supporting documents, call Hamed Mandilawi at (909) 396-3275. Written comments should be submitted to:

South Coast Air Quality Management District
Coating, Printing, Plating, Military, and
Entertainment Operations Team
21865 Copley Drive
Diamond Bar, CA 91765-4178
Attention: Hamed Mandilawi

Comments must be received by September 10, 2012. The AQMD will consider all public comments and may revise the Title V permit in accordance with AQMD rules and regulations.

The public may request the AQMD to conduct a public hearing on any of the proposed permits by submitting a Hearing Request Form (Form 500-G) to Hamed Mandilawi at the above AQMD address. The AQMD will hold a public hearing if there is evidence that the proposed permits are not correct or are not adequate to ensure compliance with regulatory requirements, and a hearing will likely provide additional information that will affect the

drafting and/or issuance of the permits. Public hearing request forms and the schedule of public hearings may be obtained from the AQMD website at <http://www.aqmd.gov/titlev>. Requests for public

hearings are due by August 24, 2012. A copy of the hearing request must also be sent by first class mail to the appropriate facility contact person listed above.
