Subject: Proposed Minor Revision to Title V Facility Permit for BP West Coast Products LLC.,
Carson Refinery (Facility ID #131003)

Dear Gerardo:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for BP West Coast Products LLC (BP) located at 2350 E. 223rd Street, Carson, California. BP's initial Title V permit was issued on September 1, 2009. The revision proposed under application A/N 516427 is a Minor Revision.

The South Coast Air Quality Management District (AQMD) has received two applications for changes to permit conditions from BP for the equipment described in table below. The AQMD has evaluated the applications and has made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our Rules and Regulations. The revised portions of the permit and our evaluation report are attached for your review.

Application No.	Equipment	Application(s) for
433622	Fixed Roof Storage Tank, No. 614	This permit action involves conversion of a previously issued Permit to Construct into a Permit to Operate. In addition, a condition requiring calculation of tank throughput is amended.
462618	Catalyst Handling Facility No. 2	A change of condition to allow the Catalyst Handling Facility to load SOx reducing additive and CO promoter in addition to NOx reducing additive.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project please contact the processing engineers, Ms. Hanh Le at (909) 396-2522 or at hle@aqmd.gov, or Mr. Rafik Beshai at (909) 396-3611 or at rbeshai@aqmd.gov.

Sincerely,

Jay Chen
